**ASX RELEASE**

9 June 2026

**Dreamworld Precinct Development – Planning Update**

Coast Entertainment Holdings Limited (**Company**) advises that the State Assessment and Referral Agency (**SARA**) issued its referral agency response to the Queensland Deputy Premier and Minister for State Development, Infrastructure and Planning (**Minister**) on Friday afternoon in respect of the Company's preliminary approval and development application for the proposed Dreamworld precinct development (**Application**), currently the subject of a Ministerial call-in.

SARA's response is the penultimate step in the call-in process and is provided to the Minister for his consideration ahead of the Minister making the final decision on the Application which the Company now expects in the coming weeks.

SARA's response indicates its support for the Application with conditions that are consistent with those contemplated by the Company and its town planning advisor and which have previously been discussed with the State Government.

CEH will provide a further update when it receives the Minister's decision.
