About Stealth Group Holdings

Stealth Group Holdings is Australia's leading independent business-to-business distributor and retailer of hardware, industrial, safety and consumer products, helping customers maintain, repair, operate, build and improve every workplace and home.

At Stealth, customers can find everything they need for the workplace and home, all in one place.

The Group supplies businesses, trade professionals, retail and DIY customers across Australia with a broad range of products, categories and value-added solutions through an integrated platform combining innovative technology, a national store and distribution network, and deep customer expertise.

Stealth operates in an attractive and highly fragmented Australian market valued at approximately \$120 billion across hardware, home improvement & living, building products, industrial maintenance, repair and operations (MRO), and safety categories.
