

**ASX Announcement and Media Release**

Wednesday, 10 June 2026

**West Wits Mining Limited (ASX: WWI) (OTCQB: WMWWF) (“West Wits” or “the Company”)** regrets to inform of an accident at the Qala Shallows underground mine resulting in the fatality of a contractor’s employee. The Company extends its deepest and most sincere condolences to the contractor’s employee's family, friends, and colleagues during this profoundly difficult time.

The incident has been formally notified to the South African Department of Mineral and Petroleum Resources (DMPR) in accordance with regulatory protocols. The Company is supporting the DMPR’s formal investigation and does not anticipate a material impact to mining operations.

The safety and wellbeing of every person at West Wits’ operations is the Company's highest priority. West Wits maintains a zero-harm safety culture and is fully committed to continuously strengthening safety practices across all operations.

Approved for release by West Wits Managing Director.
