Patent infringement claim update

Notice of Appeal filed with the United States Court of Appeals

11 June 2026 - [Identitii \(ASX:ID8\)](#) ('Identitii', 'the Company') (ASX:ID8) provides the following update on its US patent infringement claim against JPMorgan Chase.

The Company has filed a Notice of Appeal with the United States Court of Appeals for the Federal Circuit, appealing the District Court's decision of 29 May 2026 that granted the motion to dismiss with prejudice, filed by JPMorgan Chase.

The appeal covers the dismissal order itself, the District Court's written opinion explaining its reasoning, and any related rulings or findings connected to that decision. By filing this appeal, Identitii is seeking to have the dismissal overturned and the case reinstated.

The Company will provide more information on proceedings as soon as it comes to hand.

Impact on operations

The US patent matter is separate from Identitii's commercial operations. BNDRY, the Company's financial crime compliance infrastructure for Australian venues operating electronic gaming machines, continues to operate as normal, unimpacted by the claim.

Ends

This announcement has been approved and authorised to be given to ASX by the CEO of Identitii Limited.
