

ASX RELEASE

15 June 2026

Caspin Resources Investor Webinar

Caspin Resources Limited (ASX: CPN) is pleased to invite shareholders and investors to attend an online investor webinar to be hosted by Managing Director, **Greg Miles**, on **Wednesday, 17 June 2026 at 9:30am AWST**.

During the webinar, Greg will provide an update on recent exploration activities at the Company's flagship **Bygoo Tin Project** in New South Wales, including discussion of the latest drilling results from the Kelpie Tin Deposit and the recently announced high-priority Moss Prospect drill target.

The presentation will cover:

- Recent drilling results from the Kelpie Tin Deposit;
- Progress towards expanding the existing tin resource;
- The significance of the newly identified Moss Prospect;
- Upcoming drilling and exploration activities across the Bygoo Project; and
- An overview of tin market fundamentals and project outlook.

Following the presentation, investors will have the opportunity to participate in a live question and answer session.
