Dear Sir/Madam

INOVIQ Limited ACN 009 070 384 (ASX Code: IIQ) – ASX Price Query Response

In response to the ASX Price Query letter dated 17 June 2026 the company responds to your questions as follows:

(1) No.

(2) Not applicable.

(3) IIQ notes that earlier today, a third party published a research note on IIQ's investment thesis and upcoming catalysts. This note drew attention to previously announced upcoming milestones for its EXO-OC test clinical study results and also *in vitro* CAR-exosome ovarian cancer data targeted for completion by the end of June 2026 which may have contributed to heightened investor awareness and activity.

As confirmed in the IIQ March 2026 quarterly update, 'INOVIQ is advancing an expanded clinical study in approximately 2,000 biobanked plasma samples to further demonstrate the accuracy and robustness of EXO-OC™. This large, blinded, retrospective case-control study is evaluating test performance (*sensitivity, specificity and Area Under the Receiver Operating Curve; AUC*) across different ovarian cancer stages, high-risk groups and confounding diseases including non-ovarian cancers, endometriosis, uterine fibroids, diabetes and other inflammatory conditions. Sample analysis commenced in April 2026, and the study remains on track for completion of the ovarian cancer-control group in June 2026, representing a major near-term inflection point for the Company. Analysis of the high-risk and confounding disease groups will follow in H2 CY2026'.

(4) The Company confirms that it is complying with the Listing Rules and in particular, Listing Rule 3.1.

(5) The Company confirms that IIQ's responses to the questions above have been authorised by its Board.

If you have any queries, please contact me.

Yours faithfully
