Acquisition of Industrial Land in Collie for Production of Sheep Collagen and Nano-Collagen

Holista Colltech Limited (“the Company” and “ASX: HCT”) is pleased to announce that its joint venture company, Ovicoll Pty Ltd (“Ovicoll”), has completed the acquisition of industrial land located at Lot 2054 Morrison Way, Collie, Western Australia.

The land, measuring 3,974 square metres was acquired from Development WA for a purchase consideration of \$231,000 (inclusive of GST). Settlement of the acquisition was completed on 18 June 2026.

The purchase of the industrial land follows earlier announcements by the Company relating to

- i) the cessation of the lease of the prior manufacturing facility;
- ii) the decision to replace it with an asset-light, modular facility; and
- iii) the formation of Ovicoll as a joint venture between Holista Colltech Limited and Swang Chai Chuan Limited (“SCC” or “HKEX: 2321”) with SCC contributing approximately \$1.6 million to the JV.

The new facility is expected to be operational by December 2026.

The Company will provide further updates on the project, including construction progress and key milestones, as they occur.

This announcement has been authorised for release by the Board of Directors.
