

DevEx included in Sprott Junior Uranium Miners ETF (NASDAQ: URNJ)

- DevEx has been included in the Sprott Junior Uranium Miners ETF (NASDAQ: URNJ), managed by Sprott Asset Management.
- URNJ tracks the Nasdaq Sprott Junior Uranium Miners™ Index (NSURNJ), which is designed to track the performance of small and mid-sized companies engaged in uranium mining, exploration and development globally.
- Inclusion broadens DevEx's exposure to dedicated uranium and resource-focused investors and follows the consolidation of the Company's ~9,200km² uranium tenure in the Alligator Rivers Uranium Province, now entering an active 2026 exploration phase centred on the Nabarlek Uranium Project.

DevEx Resources Limited (ASX: DEV; DevEx or the Company) is pleased to advise that the Company has been added as a constituent of the Sprott Junior Uranium Miners ETF (NASDAQ: URNJ)¹.

The Company's inclusion reflects the growing scale and prominence of DevEx's uranium platform within the global junior uranium sector.

About the Sprott Junior Uranium Miners ETF

The Sprott Junior Uranium Miners ETF is a US-listed exchange traded fund managed by Sprott Asset Management. It tracks the Nasdaq Sprott Junior Uranium Miners™ Index (NSURNJ), which is designed to track the performance of small and mid-sized companies engaged in uranium mining, exploration, development, production, royalties or supply. The Index typically comprises 30 to 40 constituents drawn from the global universe of investable junior uranium companies.
