ASX Announcement

AUD\$1.83 million Small Uncrewed Aerial Systems Spares Order

Key highlights:

- AUD\$1.83 million, including GST (AUD\$1.67 million excluding GST), order for small uncrewed aerial system spare parts.
- Order demonstrates continued customer confidence in the product and service offering.

HighCom Limited (ASX: HCL) (HighCom or the Company) is pleased to advise that its wholly owned subsidiary, **HighCom Technology Pty Ltd**, has received a new order from the Australian Department of Defence of AUD\$1.83 million, including GST (AUD\$1.67 million excluding GST), for spare parts, further to the previously announced Counter Small Uncrewed Aerial Systems Support Contract announced on 28 April 2026. The new order will be delivered in FY27.

Mr Bede Galvin, HighCom Technology's President, commented, *"As a key technology integrator, HighCom Technology are delighted to announce this spare parts order, a clear demonstration of the ongoing trust and confidence that our military customers place in our solutions and platforms. It reinforces the strength of our offering and the value we continue to deliver."*

This ASX announcement has been authorised for release by the Board of Directors.
