Quarterly Activities Report**Q4 FY26 headlines:**

- **Wingara reports a 31 March 2026 cash position of \$146k;**
- **Management focusing on core activities; and**
- **Epsom lease finalised**

Wingara AG Limited (ASX: WNR), is pleased to provide its 31 March 2026 quarter's activities report alongside its Appendix 4C (Quarterly Cashflow Report) for the twelve months ended 31 March 2026 (Q4 FY26).

During the quarter, Wingara completed a key milestone in its operational reset, with the Company successfully vacating and handing back the Epsom leasehold following completion of its remaining site obligations and make-good requirements. The return of the site followed the earlier cessation of export hay processing operations and the sale of the Company's main hay processing assets. The Board also addressed long standing contractual commitments and outgoings from the 2022 sale of its Austco Polar cold storage business during this quarter.

The successful exit and removal from the Epsom leasehold and Cold Storage business removes a material legacy operating commitment and provides Wingara with a cleaner platform from which to focus on its ongoing core activities. The Company will continue to manage its cost base carefully while pursuing organic opportunities aligned with its agricultural sector experience, market relationships and operating capability.

Wingara remains focused on rebuilding activity through domestic hay trading, storage coordination and logistics management services. The Board and management are continuing to assess opportunities to source good quality fodder product from Victoria and South Australia for supply into domestic markets, particularly farmers and livestock feed customers in New South Wales and Queensland.

This strategy is based on leveraging the Board and management's experience across hay procurement, supplier relationships, customer coordination, transport planning, storage arrangements and third-party service provider management. The Board believes this provides a practical pathway for Wingara to grow organically and pursue commercially viable opportunities consistent with its core agricultural capability.

In accordance with ASX Listing Rule 4.7C.3, payments to related parties and their associates outlined in the Company's Appendix 4C for the quarter relate to fees and salaries paid to Directors.

This announcement has been approved for release by the Board of Directors of Wingara AG Limited.
