

1 JULY 2026

## Cavalier Strengthens Management Team with COO Appointment Ahead of Stage 1 Start-Up

### Highlights

- 🏢 Jamie Brown appointed Chief Operating Officer (COO)
- 🏢 Appointment strengthens Cavalier's executive management team as Crawford advances toward production
- 🏢 Mr Brown brings over 24 years' mining industry experience, including new mine start-ups, operational readiness and technical leadership, with expertise well aligned to the next stage of Crawford's development
- 🏢 Appointment further supports the Company as it transitions from developer to a mining company

### Daniel Tuffin, Executive Technical Director and CEO, commented:

*"As Crawford continues to advance toward production, we are focused on building the right team to successfully deliver the project.*

*Jamie brings extensive experience in new mine start-ups, operational readiness and leading technical teams, together with a practical understanding of what it takes to bring a new mine into production.*

*This appointment is another important step for Cavalier as we continue building the Company around Crawford, and I look forward to working with Jamie as we move into the next stage of development."*

### COO Appointment Summary:

Cavalier Resources Limited (ASX: CVR) is pleased to announce the appointment of Mr Jamie Brown as Chief Operating Officer (COO), effective from 1 July 2026.

The appointment further strengthens Cavalier's executive management team as the Company advances the Crawford Gold Project toward production.

Mr Brown has over 24 years' mining industry experience, most recently serving as Chief Mine Geologist with Brightstar Resources. He has previously held senior operational and technical leadership roles with Westgold Resources, OceanaGold, Gold Fields, BHP and Evolution Mining.

His experience includes new mine start-ups, operational readiness and technical services leadership, providing practical expertise well suited to the next stage of Crawford's development.

As Chief Operating Officer, Mr Brown will work closely with the Company's management team to coordinate project development, operational readiness and broader business activities as Crawford advances toward production.

Mr Brown holds a Bachelor of Science (Mining Geology and Mineral Exploration) from the Western Australian School of Mines and is a Schedule 26 Statutory Supervisor under the Work Health and Safety (Mines) Regulations 2022.

This announcement has been approved and authorised by the Board of Cavalier Resources Limited.
