SHAPE completes acquisition of Australian Professional Shopfitters

SHAPE Australia Corporation Limited (ASX: SHA) ('SHAPE' or the 'Company') is pleased to confirm the completion of its acquisition of the entire issued capital of Australian Professional Shopfitters Pty Ltd ('APS'), a vertically integrated retail shopfitting business specialising in the design, manufacture and delivery of shopfitting solutions for multi-site retailers across Australia.

The acquisition, initially announced on 28 May 2026, has satisfied all conditions precedent and completion occurred on 1 July 2026.

Commenting on the completion of the acquisition, SHAPE CEO Peter Marix-Evans said:

"We're very pleased to welcome the APS team to SHAPE. Over more than 28 years, they've built a highly respected business with strong relationships across leading retail brands and a proven track record delivering national rollout programmes."

"APS strengthens our ability to support clients with repeatable retail work at scale and adds valuable manufacturing and procurement capability to the business. Together with Arden, it broadens our retail offering across flagship store delivery, national rollouts, refurbishments and ongoing maintenance programmes across Australia, while also adding capabilities we can leverage across our existing core business over time."

ENDS

This announcement was authorised for release by the Chief Executive Officer.

About SHAPE:

SHAPE Australia (ASX: SHA) is a leading national fitout and construction services specialist. Headquartered in Sydney, with operations in all capital cities and key regional centres, SHAPE delivers high-quality interior, new build, and modular construction projects across diverse sectors, including office, defence, education, health, hotels, retail, entertainment & recreation, and more. Backed by a team of more than 900 professionals, an award-winning company culture, and an impressive Net Promoter Score of +87, SHAPE brings transparency, a partnership approach, and three decades of experience to undertake any type of construction project.
