Dear Sirs,

Response to Query Letter

We refer to your letter of 2 July 2026 (**Letter**) in relation to the late lodgement of an Appendix 3Y 'Change in Directors Interests' for Dr Andreas Schwer lodged with ASX on 1 July 2026 by Electro Optic Systems Holdings Limited (**EOS** or the **Company**) (ASX: EOS).

In response to your queries, we advise as follows:

1. Please explain why the Appendix 3Y was lodged late.

At the Company's recent Annual General Meeting (which was held on 19 May 2026) (**AGM**), shareholders approved the grant of 21,539 Share Rights and 80,413 Share Options to the Company's CEO and Managing Director of the Company, Dr Andreas Schwer (**Shares**). The Share Rights and Share Options were subsequently issued to Dr Schwer on 22 May 2026 and disclosed in the Appendix 3G which was released to the market on that date (**Appendix 3G**). It was the intention of the Company to lodge the Appendix 3Y on that date, however, due to an administrative oversight, the Company lodged the Appendix 3Y on 1 July 2026.

2. What arrangements does EOS have in place under Listing Rule 3.19B with its directors to ensure that it is able to meet its disclosure obligations under Listing Rule 3.19A?

The Company has in place the necessary procedures and processes to ensure that director disclosures to the ASX are completed and lodged within the time period allowed by Listing Rule 3.19A. All of the directors are aware of their disclosure obligations and are required by their arrangements with the Company to inform the Company immediately of any changes in their interests.

While the market was aware of the proposed grant of Shares Rights and Options to Dr Schwer (by virtue of the announcement of the results of the Company's AGM at which shareholders approved the grant of such securities to Dr Schwer and the release of the Appendix 3G), due to an administrative oversight Appendix 3Y was not lodged within the requisite timeframe.

The Company and its directors are aware of their obligations under Listing Rules 3.19A and 3.19B, as well as the Company's policy for dealing in securities. This includes obtaining pre-approvals for all security trading. Security holdings and trading confirmations are also a standing Board agenda item to ensure full transparency and continual confirmation.

3. If the current arrangements are inadequate or not being enforced, what additional steps does EOS intend to take to ensure compliance with Listing Rule 3.19B?

The Company considers the lodgement outside the prescribed timeframe as an isolated incident and believes that the current arrangements between the Company and its directors to ensure compliance with Listing Rule 3.19B are adequate and are being enforced.

Should you have any questions, please do not hesitate to contact me.

Released with the authority of the Board.

Yours sincerely,

Melanie Andrews
Company Secretary

Dear Ms Andrews

Electro Optic Systems Holdings Limited ('EOS'): Appendix 3Y – Change of Director's Interest Notice Query

ASX refers to the following:

1. EOS's Appendix 3Y lodged on the ASX Market Announcements Platform ('MAP') on 1 July 2026 for Dr Andreas Schwer (the 'Notice');
2. Listing Rule 3.19A which requires an entity to tell ASX the following:
 - 3.19A.1 *'The notifiable interests of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) at the following times.*
 - *On the date that the entity is admitted to the official list.*
 - *On the date that a director is appointed.*

The entity must complete Appendix 3X and give it to ASX no more than 5 business days after the entity's admission or a director's appointment.
 - 3.19A.2 *A change to a notifiable interest of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) including whether the change occurred during a closed period where prior written clearance was required and, if so, whether prior written clearance was provided. The entity must complete Appendix 3Y and give it to ASX no more than 5 business days after the change occurs.*
 - 3.19A.3 *The notifiable interests of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) at the date that the director ceases to be a director. The entity must complete Appendix 3Z and give it to ASX no more than 5 business days after the director ceases to be a director.'*
3. Listing rule 3.19B which states that:

'An entity must make such arrangements as are necessary with a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) to ensure that the director discloses to the entity all the information required by the entity to give ASX completed Appendices 3X, 3Y and 3Z within the time period allowed by listing rule 3.19.A. The entity must enforce the arrangements with the director.'

The Notice indicates that a change in Dr Schwer's notifiable interest occurred on 22 May 2026. It appears that the Notice should have been lodged with ASX by 29 May 2026. Consequently, EOS may have breached Listing Rules 3.19A and/or 3.19B. It also appears that Dr Schwer may have breached section 205G of the *Corporations Act 2001* (Cth).

Request for Information

Under Listing Rule 18.7, we ask that you answer each of the following questions having regard to Listing Rules 3.19A and 3.19B and *Guidance Note 22: Director Disclosure of Interests and Transactions in Securities - Obligations of Listed Entities*.

2. What arrangements does EOS have in place under Listing Rule 3.19B with its directors to ensure that it is able to meet its disclosure obligations under Listing Rule 3.19A?
3. If the current arrangements are inadequate or not being enforced, what additional steps does EOS intend to take to ensure compliance with Listing Rule 3.19B?

You should note that if the information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, EOS's obligation is to disclose the information 'immediately'. This may require the information to be disclosed before the deadline set out in the previous paragraph and may require EOS to request a trading halt immediately.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. Release of correspondence between ASX and entity

ASX reserves the right to release all or any part of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A.

Yours faithfully

ASX Compliance
