L1 Capital International (Hedged) Active ETF

Launched in July 2024, L1 Capital International (Hedged) Active ETF is a fully currency hedged version of the high conviction L1 Capital International (Unhedged) Active ETF by L1 Capital International CIO David Steinthal since launch in March 2019.

The Fund's objective is to outperform the MSCI World 100% Hedged to AUD Index net of fees and expenses over rolling 5-year periods, hedged for foreign currency exposure.

The Fund invests in ~25 high quality companies without the constraints of artificial concepts such as 'Growth' or 'Value', as well as investing in a wide range of companies by size. The team uses fundamental, bottom-up analysis with detailed risk assessment to invest in companies we consider to:

- Operate in well structured, growing industries
- Have durable business models
- Have aligned management with a strong capital allocation track record
- Generate growing free cashflow
- Demonstrate an ability to sustain high returns on invested capital
- Have proactive, favourable ESG policies and practices
- Have attractive capital management policies

L1 Capital International overview

L1 Capital International is an independent active manager of global equities. We apply a detailed investment process built on a fundamental assessment of quality and value. We aim to deliver attractive risk-adjusted returns by investing in high quality companies that have favourable cashflow-based valuations in well-structured industries. Capital preservation over the investment horizon is central to our investment philosophy and process. We view risk as the potential for a permanent loss of capital as opposed to volatility in share prices. Additional information on L1 Capital International is available at www.L1International.com.
