Request for Trading Halt: RRE

Dear James

In accordance with ASX Listing Rule 17.1, **Right Resources Limited** (ASX: **RRE**) (**Right Resources** or the **Company**) requests the granting of a trading halt in RRE's ordinary securities listed on the ASX, pending an announcement with regards to a capital raising.

The Company requests that the securities remain in trading halt until the earlier of the commencement of normal trading on Thursday, 9 July 2026 or when the anticipated announcement is released to the market.

The Company is not aware of any reason as to why the trading halt should not be granted and confirms there is no other information necessary to inform the market about the trading halt.

Yours sincerely

Jessamyn Lyons
Company Secretary

About Right Resources (ASX: RRE)

Right Resources Limited is a New South Wales-based mineral exploration company focused on advancing a portfolio of gold, copper and critical mineral assets across 2,177 km² of tenements in the Tumbarumba and New England regions, both located within historically significant goldfields and mineral provinces.

The Company's flagship asset is the Pilot Project, a high-grade gold target in the Tumbarumba Region with a history of high-grade underground gold production (~38 g/t Au), which is being advanced through a maiden diamond drilling programme in collaboration with CODES (Centre for Ore Deposit and Earth Sciences, University of Tasmania). The Blue Prospect tungsten discovery adds a significant critical minerals dimension to the Company's portfolio.
