

9 July 2026

Release Date of FY26 Full Year Results

Propel Funeral Partners Limited (ASX: PFP) (**Propel**) confirms that it will release its FY26 full year results, pre-market open on Tuesday, 25 August 2026.

The results will be presented, via a teleconference commencing at 10.30am, Sydney time, on Tuesday, 25 August 2026, by:

- Fraser Henderson and Lilli Rayner, Co-CEOs; and
- Arash Noaeen, CFO.

A live URL link to the teleconference and results presentation will be available via the webcast link at:

<https://webcast.openbriefing.com/pfp-fyr-26>.

A recording of the webcast will be available via the same link and on Propel's website from Wednesday, 26 August 2026.

-END-

About Propel:

Propel is listed on the Australian Securities Exchange and is the second largest provider of death care services in Australia and New Zealand. Propel currently operates from 213 locations, including 42 cremation facilities and 9 cemeteries.

Authority to release:

This document has been authorised for release by the Company Secretary of the Company.

Important notice:

This announcement may contain forward-looking statements, which include all matters that are not historical facts. Without limitation, indications of, and guidance on, future earnings and financial position and performance are examples of forward-looking statements. Forward-looking statements, including projections or guidance on future earnings and estimates, are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. No representation, warranty or assurance (express or implied) is given or made in relation to any forward-looking statement by any person (including Propel). In particular, no representation, warranty or assurance (express or implied) is given that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. Actual results, performance or achievement may vary materially from any projections and forward-looking statements and the assumptions on which those statements are based
