## Response to media speculation

Ingenia Communities Group (ASX: INA) (**Ingenia**) notes recent media speculation and confirms that it is in discussions with Peet Limited (ASX: PPC) (**Peet**), and potential capital partners in relation to opportunities aligned to the Group's strategic goals.

The discussions are consistent with acceleration of the Group's core strategy – growth in the land lease segment - through an extension in the land bank beyond the 5-Year Plan and access to additional capital sources. The Group's focus remains on enhancing security holder value through enhanced scale, growing exposure to housing demand and improved financial strength and flexibility.

Given the nature and stage of the discussions, Ingenia does not believe it is appropriate to comment further at this time as there is no certainty that the discussions will result in any form of transaction.

Authorised for lodgement by the Chair.
