FY26 Guidance Achieved and June Quarterly Production

Kingsgate Consolidated Limited (ASX: KCN) ("Kingsgate" or the "Company") is pleased to advise that the Chatree Gold Mine produced **20,163 ounces of gold** during the June 2026 quarter, bringing total FY26 gold production to **86,078 ounces** and achieving the Company's FY26 production guidance.

Gold production **increased 15%** compared with FY25, reflecting the first full financial year of steady-state mining and processing operations since the successful restart of the Chatree Gold Mine.

The Company also produced **220,078 ounces of silver** during the June quarter, resulting in total FY26 silver production of **766,009 ounces**, a **22% increase** on FY25.

As at 30 June 2026, Kingsgate held **A$179 million** in cash, bullion, and doré*.

Kingsgate's Managing Director & CEO, Jamie Gibson, said: "Achieving FY26 production guidance is an important milestone for Kingsgate and reflects the consistent operational performance delivered by the Chatree team. We finished the year with A$179 million in cash, bullion and doré while returning capital to shareholders through our interim dividend and investing in the acquisition of the royalty and strategic water rights from Inversiones Anglo American Norte SpA. Our strong financial position provides the flexibility to continue investing in the business while pursuing disciplined growth opportunities."

Further details will be provided in the Company's June 2026 Quarterly Report, which is scheduled for release later this month.

*Total cash includes restricted cash of $26m.
