MARKET ANNOUNCEMENT

Unmarketable Parcel Share Buy-Back

Queste Communications Ltd (ASX:QUE) (**Queste** or **Company**) advises that it is undertaking a 'minimum holding buy-back' of ordinary shares (**Shares**) for holders of less than a marketable parcel of Shares in the Company (**Unmarketable Parcel Buy-Back**) as at 7:00 pm (Perth time) on 16 July 2026 (**Record Date**)Under the ASX listing Rules, a marketable parcel of Shares is a parcel worth $500 or more, based on the closing price of the Shares on ASX.[1]

The Unmarketable Parcel Buy-Back will allow shareholders who hold less than a marketable parcel of Shares (**Unmarketable Parcel**) in the Company (**Unmarketable Parcel Holders**) to sell their Shares back to the Company at a price of $0.052, being the Volume Weighted Average Price (**VWAP**) over the last 5 days in which the Company's Shares traded on ASX up to and including the Record Date (**Buy-Back Price**) without incurring any brokerage costs.

The Unmarketable Parcel Buy-Back is a 'minimum holding buy-back' under section 257B of the *Corporations Act 2001 (Cth)* and accordingly does not require shareholder approval, and any Shares acquired by the Company under the Unmarketable Parcel Buy-Back will be cancelled.

Based on the Buy-Back Price and as at the Record Date, there were 85 Unmarketable Parcel Holders (from a total of 221 shareholders) with an Unmarketable Parcel of Shares, representing in total 250,577 Shares (0.93% of total Shares on issue) and an aggregate value of $13,030.

The Company recognises that an Unmarketable Parcel can be difficult and expensive (relative to their value) to sell; the Unmarketable Parcel Buy-Back enables Unmarketable Parcel Holders to sell their small shareholdings without having to act through a broker or incurring any brokerage costs. The Company expects that undertaking the Unmarketable Parcel Buy-Back will also reduce the ongoing administrative costs (including printing and mailing costs and share registry expenses) associated with maintaining Unmarketable Parcels on the Company's share register.

1 While the term "unmarketable parcel" is commonly used to describe a shareholding worth $500 or less, the holder of such a parcel of shares is still permitted to sell them on-market on the ASX.

Under the Unmarketable Parcel Buy-Back:

(1) If Unmarketable Parcel Holders would like to opt-out of the Unmarketable Parcel Buy-Back and not have their Shares bought-back by the Company, they must complete and return a Share Retention Form to the Company by 5:00 pm (Perth time) on Friday, 4 September 2026 (**Due Date**).

(2) Unmarketable Parcel Holders may increase their shareholding to a marketable parcel (of 9,616 Shares or greater) by either amalgamating multiple holdings or by acquiring more Shares on market.

(3) Unmarketable Parcel Holders who wish to sell their Unmarketable Parcel at the Buy-Back Price per Share via the Unmarketable Parcel Buy-Back do not have to take any action. The sale proceeds will be transferred via direct credit to their nominated bank account recorded with the Share Registry, Automic, as soon as practicable. If shareholders do not have a bank account nominated with Automic, their sale proceeds will be retained until they have provided their bank account details via the Automic Investor Portal: https://investor.automic.com.au.

20 July 2026

Dear Shareholder,

NOTICE OF UNMARKETABLE PARCEL SHARE BUY-BACK

Queste Communications Ltd (ASX: QUE) (**Queste** or the **Company**) is undertaking a 'minimum holding buy-back' of ordinary shares (**Shares**) for holders of less than a marketable parcel of Shares in the Company (**Unmarketable Parcel Buy-Back**) as at 7:00 pm (Perth time) on 16 July 2026 (**Record Date**).

Under the ASX listing Rules, a marketable parcel of Shares is a parcel worth $500 or more, based on the closing price of the Shares on ASX.[1]

The Unmarketable Parcel Buy-Back will allow shareholders who hold less than a marketable parcel of Shares (**Unmarketable Parcel**) in the Company (**Unmarketable Parcel Holders**) to sell their Shares back to the Company at a price of $0.052, being the Volume Weighted Average Price (**VWAP**) over the last 5 days in which the Company's Shares traded on ASX up to and including the Record Date (**Buy-Back Price**) without incurring any brokerage costs.

The Unmarketable Parcel Buy-Back is a 'minimum holding buy-back' under section 257B of the *Corporations Act 2001 (Cth)* (**Corporations Act**) and accordingly does not require shareholder approval, and any Shares acquired by the Company under the Unmarketable Parcel Buy-Back will be cancelled.

Based on the Buy-Back Price and as at the Record Date, there were 85 Unmarketable Parcel Holders (from a total of 221 shareholders) with an Unmarketable Parcel of Shares, representing in total 250,577 Shares (0.93% of total Shares on issue) and an aggregate value of $13,030.

The Company recognises that an Unmarketable Parcel can be difficult and expensive (relative to their value) to sell; the Unmarketable Parcel Buy-Back enables Unmarketable Parcel Holders to sell their small shareholdings without having to act through a broker or incurring any brokerage costs. The Company expects that undertaking the Unmarketable Parcel Buy-Back will also reduce the ongoing administrative costs (including printing and mailing costs and share registry expenses) associated with maintaining Unmarketable Parcels on the Company's share register.

The Company's Share Registry, Automic, shows that the number of Shares held by you or an entity that is associated with you is an Unmarketable Parcel (which is less than 9,615 Shares as at the Record Date), which therefore makes you an Unmarketable Parcel Holder.

Your options in relation to the Unmarketable Parcel Buy-Back are as follows:

(1) **Return a Share Retention Form by Due Date to retain your Unmarketable Parcel Shares** – if you would like to opt-out of the Unmarketable Parcel Buy-Back and not have your Shares bought-back by the Company, you must complete and return the attached Share Retention Form to the Company by 5:00 pm (Perth time) on Friday, 4 September 2026 (being approximately 6 weeks from when this notice was sent to you) (**Due Date**).

(2) **Top-up or amalgamate your existing holding(s) to a marketable parcel by Due Date** – increase your shareholding to a marketable parcel by either amalgamating multiple holdings or by acquiring more Shares on market, such that your registered holding on the Due Date is 9,615 Shares or greater. Note any additional Shares acquired must be registered under the same name and address and with the same holder number (SRN or HIN) as set out in the attached Share Retention Form. To amalgamate your multiple holdings prior to the Due Date, please contact your stockbroker or Automic on 1300 288 664 (within Australia) or +61 2 9698 5414.

(3) **Do nothing to sell your Unmarketable Parcel under the Unmarketable Parcel Buy-Back** – if you wish to sell your Unmarketable Parcel at the Buy-Back Price per Share via the Unmarketable Parcel Buy-Back, you do not have to take any action and will receive the proceeds as soon as practicable after the Due Date.

---

1 While the term "unmarketable parcel" is commonly used to describe a shareholding worth $500 or less, the holder of such a parcel of shares is still permitted to sell them on-market on the ASX.

UNMARKETABLE PARCEL SHARE BUY-BACK – Frequently Asked Questions (FAQ's)

What is the Unmarketable Parcel Buy-Back?

The Company has initiated the Unmarketable Parcel Buy-Back to provide a mechanism for the Company to directly buy-back Unmarketable Parcels (each worth less than $500 as at the Record Date of 16 July 2026) from shareholders at a price of $0.052 per Share, without shareholders incurring brokerage fees or involving their stockbrokers.

Why is the Unmarketable Parcel Buy-Back being offered?

The Unmarketable Parcel Buy-Back will enable you to sell your Shares cost effectively and simply, as shareholders with small holdings of shares may find it difficult or expensive (relative to their value) to dispose of their shares. Additionally, the Unmarketable Parcel Buy-Back assists the Company to reduce administration and share registry costs associated with servicing Unmarketable Parcels.

What is the Company's authority to buy-back my shares?

Under section 257A of the Corporations Act, a company may buy back its own shares if the buy-back does not materially prejudice the company's ability to pay its creditors and the company follows the procedure laid out in the Corporations Act. The Unmarketable Parcel Buy-Back is expected to cost the Company up to $13,030 (plus expenses) – the Directors believe that this cost will not materially prejudice the Company's ability to pay its creditors.

Can I sell some but not all of my shares through the Unmarketable Parcel Buy-Back?

No, you may not elect to sell part of an Unmarketable Parcel of shares through the Unmarketable Parcel Buy-Back. The Unmarketable Parcel process applies to your entire Unmarketable Parcel.

If I buy more shares, will I retain my holding?

If you buy more shares so that your shareholding increases to at least a marketable parcel of 9,616 shares prior to the Due Date (4 September 2026), the Company will not buy-back your shares. Any additional shares acquired must be registered under the same name and address and with the same holder number (SRN or HIN) as set out in the attached Share Retention Form.

What if I hold multiple Unmarketable Parcels?

If you hold multiple shareholdings that, individually, are considered to be Unmarketable Parcels, but when aggregated would constitute a marketable parcel worth more than $500, each shareholding will be treated as a separate Unmarketable Parcel and may be bought-back UNLESS you complete and return a Share Retention Form (by the Due Date) for each Unmarketable Parcel you wish to retain.

Alternatively, you should consider amalgamating your multiple holdings of Unmarketable Parcels into a single marketable parcel shareholding by the Due Date.

Multiple shareholdings must have the same name and address to be amalgamated.

If any of your holdings you wish to consolidate is CHESS Sponsored, please contact your Sponsoring Broker to arrange the amalgamation.

If your multiple shareholdings are all Issuer Sponsored, please complete a Consolidation of Holding Request Form and return to Automic – refer https://www.automicgroup.com.au/investor-services/how-do-i-consolidate-merge-my-holdings or contact Automic:

- by email at hello@automicgroup.com.au;
- or by calling 1300 288 664 (within Australia) or +61 2 9698 5414 (outside Australia) on Monday to Friday, between 8.30 am and 7.00 pm (Sydney time).

What if my holding of shares is a CHESS Holding?

If your shares remain in a CHESS Holding after the Due Date, the Company may, without further notice, convert those shares to an Issuer Holding or a Certified Holding for the purpose of acquiring those shares under the Unmarketable Parcel Buy-Back.

My shares are jointly held. Does each joint holder need to sign, complete and return a Share Retention Notice Form?

If you are a joint holder of shares, the Company will not acquire your shares if one holder returns a Share Retention Form by the Due Date.

If my shares are acquired through the Unmarketable Parcel Buy-Back, how much will I receive per share?

The price that you receive for your shares sold through the Unmarketable Parcel Buy-Back will be the Buy-Back Price of $0.052 per share. All Unmarketable Parcel Holders whose shares are acquired through the Unmarketable Parcel Buy-Back will receive the same price per share sold.

The Buy-Back Price has been calculated based on the VWAP over the last 5 days in which the Company's shares traded on ASX up to and including the Record Date.

What are the taxation consequences of having my shares sold through the Unmarketable Parcel Buy-Back?

Any tax consequences from the sale of your shares will be your responsibility. Tax may be payable on any gains you make on the sale of your shares. This will depend on your personal taxation circumstances. Please obtain independent tax advice from an appropriate tax adviser if you have questions about your personal taxation circumstances.

When and how will I receive the sale proceeds?

The proceeds of the sale of your shares will be credited to your nominated bank account as soon as practicable after the Due Date and the completion of the cancellation of those shares (expected to be from 7 September 2026). The Company will also send you a Share Buy-Back Notice with details of the shares bought-back, for your records.

If your bank account details are not recorded with Automic, the proceeds will be held by the Company until you advise Automic of your bank details. By law, the Company can retain these proceeds for a period of 12 months from the Due Date before transferring any unclaimed monies to the Government. It is therefore in your best interests to ensure you have provided Automic with your correct bank details.

To the extent your bank account details are not up to date or you have not recorded bank account details with Automic, you should notify Automic of your current bank account details promptly via their Investor Portal: https://investor.automic.com.au. You will need to register (using your SRN or HIN) or log in to Investor Sign In.

Alternatively, please contact Automic:

- by email at hello@automicgroup.com.au;
- or by calling 1300 288 664 (within Australia) or +61 2 9698 5414 (outside Australia) on Monday to Friday, between 8.30 am and 7.00 pm (Sydney time).

I need to update my address. How do I do this?

If your address on your personalised Share Retention Form is incorrect or out-of-date, please update your address by the Due Date to ensure you receive your Share Buy-Back Notice after the completion of the Unmarketable Parcel Buy-Back.

If your shareholding is CHESS Sponsored, you will need to contact your stockbroker.

If your shareholding is Issuer Sponsored, you can update your address via the Automic Investor Portal: https://investor.automic.com.au.
