Ausgold strengthens leadership team with key senior executive appointment

Ausgold Limited (ASX: AUC) (**Ausgold** or **Company**), is pleased to advise that Tammie Dixon has been appointed Chief Financial Officer following Ben Stockdale's transition to Chief Executive Officer announced in May. Based in Perth, Tammie is a highly credentialled finance and commercial executive with extensive resources industry experience including managing debt finance facilities and leading finance teams through mining project developments and operations. Tammie's past roles include CFO and Company Secretary of Capricorn Metals Ltd and Group Manager Strategy at Catalyst Metals Ltd as well as senior finance roles at Bellevue Gold and Regis Resources. Most recently, Tammie was the CFO of ASX listed Tivan Ltd.

Ausgold Executive Chairman, John Dorward, said:

"After conducting an extensive search process we are delighted to be welcoming a person of Tammie's calibre to Ausgold. With her extensive experience in leading finance teams at mid-tier gold miners, Tammie is ideally positioned to drive Ausgold's finance function forward as we progress the KGP through permitting and financing towards a final investment decision targeted for late 2026."

The Board of Directors of Ausgold Limited approved this announcement for release to the ASX.

Forward-Looking Statements

This Announcement includes "forward-looking statements" as that term within the meaning of securities laws of applicable jurisdictions. Forward-looking statements involve known and unknown risks, uncertainties and other factors that are in some cases beyond Ausgold Limited's control. These forward-looking statements include, but are not limited to, all statements other than statements of historical facts contained in this presentation, including, without limitation, those regarding Ausgold Limited's future expectations. Readers can identify forward-looking statements by terminology such as "aim," "anticipate," "assume," "believe," "continue," "could," "estimate," "expect," "forecast," "intend," "may," "plan," "potential," "predict," "project," "risk," "should," "will" or "would" and other similar expressions. Risks, uncertainties and other factors may cause Ausgold Limited's actual results, performance, production or achievements to differ materially from those expressed or implied by the forward-looking statements (and from past results, performance or achievements). These factors include, but are not limited to, the failure to complete and commission the mine facilities, processing plant and related infrastructure in the time frame and within estimated costs currently planned; variations in global demand and price for coal and base metal materials; fluctuations in exchange rates between the U.S. Dollar, and the Australian dollar; the failure of Ausgold Limited's suppliers, service providers and partners to fulfil their obligations under construction, supply and other agreements; unforeseen geological, physical or meteorological conditions, natural disasters or cyclones; changes in the regulatory environment, industrial disputes, labour shortages, political and other factors; the inability to obtain additional financing, if required, on commercially suitable terms; and global and regional economic conditions. Readers are cautioned not to place undue reliance on forward-looking statements. The information concerning possible production in this announcement is not intended to be a forecast. They are internally generated goals set by the board of directors of Ausgold Limited. The ability of the company to achieve any targets will be largely determined by the company's ability to secure adequate funding, implement mining plans, resolve logistical issues associated with mining and enter into any necessary off take arrangements with reputable third parties. Although Ausgold Limited believes that its expectations reflected in these forward-looking statements are reasonable, such statements involve risks and uncertainties and no assurance can be given that actual results will be consistent with these forward-looking statements.
