About Dataworks

Dataworks Group Limited (ASX:DWG) is a leading Regulated Gaming Technology ("RegTech") company specialising in secure, scalable and mission-critical technologies designed to combat problem gambling and support responsible wagering initiatives globally.

Dataworks delivers and operates Australia's **BetStop - National Self-Exclusion Register™** ("NSER") and Ontario's **BetGuard** Centralised Self-Exclusion platform for iGaming Ontario in Canada, together representing the only two known large-scale, enterprise-grade, real-time centralised self-exclusion systems currently operating globally. The Company's platforms maintain real-time integrations with more than 230 of the world's largest wagering operators and are fully embedded into the betting journey, enabling instantaneous exclusion checks and enforcement at critical points of user activity. Dataworks' systems have processed more than 37 billion real-time exclusion checks to date.

In addition to its core technology platforms, Dataworks also provides associated managed services infrastructure, including end-to-end contact centre operations supporting large-scale regulatory program delivery.
