About Alliance Nickel Limited

Alliance Nickel Limited is an ASX-listed critical minerals development company with its principal asset being its flagship 100% owned NiWest nickel cobalt project containing one of the highest-grade undeveloped nickel laterite resources in Australia. The Project has access to existing primary mining infrastructure such as an established network of roads, a railway and gas pipeline and is strategically situated adjacent to Glencore's Murrin Murrin Operations. The Company has completed a Definitive Feasibility Study (see ASX announcement 21 November 2024) which has confirmed the technical and economic viability of a heap leach and direct solvent extraction operation where it aims to produce low-cost, high-quality Class 1 nickel and cobalt sulphate for battery manufacturers and automakers in the Electric Vehicle (EV) sector.

The Company confirms that all material assumptions underpinning the production target and forecast financial information in the Definitive Feasibility Study continue to apply and have not materially changed.
