This announcement may contain certain forward-looking statements with respect to the financial condition, results of operations and business of Boom and certain plans and objectives of the management of Boom. Forward-looking statements can generally be identified by the use of words such as 'project', 'believe', 'foresee', 'plan', 'expect', 'aim', 'potential', 'goal', 'target', 'intend', 'anticipate', 'believe', 'estimate', 'may', 'could', 'should', 'will' or similar expressions. All such forward-looking statements involve

known and unknown risks, significant uncertainties, assumptions, contingencies and other factors, many of which are outside the control of Boom, which may cause the actual results or performance of Boom to be materially different from any future results or performance expressed or implied by such forward-looking statements. No guarantee, representation, warranty, express or implied, is made as to the accuracy, likelihood of achievement or reasonableness of any forecasts, prospects, returns or other forward-looking statements in relation to future matters contained in this announcement. Such forward-looking statements reflect expectations at the date of this announcement. Factors that could cause actual results or performance to differ materially include without limitation the following: risks and uncertainties associated with the Australian and global economic environment and capital market conditions, fluctuations in foreign currency exchange and interest rates, competition, Boom's relationships with, and the financial condition of, its suppliers and customers, or legislative changes, or regulatory changes or other changes in the laws which affect Boom's business. The preceding list of important factors is not exhaustive. There can be no assurance that actual outcomes will not differ materially from these statements. Readers are cautioned to not place undue reliance on any forward looking statements. Except as required by law and ASX Listing Rules, Boom undertakes no obligation to update publicly or otherwise revise any forward looking statement as a result of new information, future events or other factors. Past performance cannot be relied on as a guide to future performance. Readers are cautioned not to place undue reliance on forward-looking statements or guidance, particularly in light of the current economic, regulatory and political climate.
