Admission to AIM and First Day of Dealings

Bravura Solutions Limited (ASX: BVS) ("Bravura" or the "Company") is pleased to announce that the admission of depositary interests ("**Depositary Interests**") representing its ordinary shares of no par value ("**Ordinary Shares**") to trading on AIM ("**AIM**"), a market operated by London Stock Exchange plc, will take place today ("**Admission**"). Dealings in the Depositary Interests on AIM will commence at 8:00 a.m. BST today under the TIDM "BVS" and ISIN: AU000000BVS9.

Bravura is not offering any new Ordinary Shares, Depositary Interests nor any other securities in connection with Admission.

Admission establishes a dual listing for Bravura, alongside its existing listing on the Australian Securities Exchange. It broadens the Company's access to capital and to a deeper pool of UK and European institutional investors, while supporting the next phase of Bravura's growth strategy.

Russell Baskerville, Independent Non-Executive Chair of Bravura, said:

"Admission to AIM is a significant milestone for Bravura and a natural step in our development. It gives us direct access to a broad base of international investors who understand our markets and reflects the confidence we have in the strength of our technology, our people and the long-term relationships we hold with clients around the world. We look forward to welcoming new shareholders as we continue to build on that momentum."
