

06 August 2026

Market Announcements Office
ASX Limited

TO BE RELEASED FOR EACH OF THE ASX CODES LISTED BELOW

UNITS ON ISSUE

Betashares Capital Limited (Betashares) is the issuer of the below Funds quoted on the ASX. This table shows the number of outstanding units, the total value of units issued, the total value of units redeemed and the net of the units issued and redeemed for the month ending 31 July 2026.

The total values of new unit issues and unit redemptions, and the difference between those values, reflects the price (exclusive of transaction costs) at which the units were issued and redeemed during the reporting month.

Fund name	ASX code	Date as at (DD-MMM-YY)	Total units issued	Total units redeemed	Difference between the total units	Total value of units issued (AUD)	Total value of units redeemed (AUD)	Difference between the total value (AUD)	Units on issue

An investment in any Betashares Fund is subject to investment risk including possible delays in repayment and loss of income and principal invested. Neither Betashares Capital Ltd nor any other party guarantees the performance of any Fund or the repayment of capital or any particular rate of return. Past performance is not an indication of future performance. Betashares® and Back Your View® are registered trademarks of Betashares Holdings Pty Ltd.

Any Betashares Fund that seeks to track the performance of a particular financial index is not sponsored, endorsed, issued, sold or promoted by the provider of the index. No index provider makes any representation regarding the advisability of buying, selling or holding units in the Betashares Funds or investing in securities generally. No index provider is involved in the operation or distribution of the Betashares Funds and no index provider shall have any liability for the operation or distribution of these Funds or their failure to achieve their investment objectives. An index provider has no obligation to take the needs of the Betashares Fund or the unitholders of the Fund into consideration in determining, composing or calculating the relevant index. Any intellectual property rights in the index name and associated trademarks, index methodology, index values and constituent lists vest in the relevant index provider and/or its affiliates. Betashares has obtained a licence from the relevant index provider to use such intellectual property rights in the creation and operation of the Betashares Funds.
