

Board and Leadership Changes

Vantage Metals Limited (ASX: VAN) (Vantage or the Company) is pleased to announce the appointment of Amanda Mueller as a non-executive director.

Ms Mueller is a mining engineer and project-management specialist with global open-pit operations experience across gold and iron ore, now leading mining investment, M&A, and project development across a critical-minerals portfolio for the Company's largest shareholder. Amanda combines technical credibility with commercial and financial execution.

Amanda serves as a Director, Mining Investments & Project Development at Integra Capital and is responsible for leading technical due diligence and project evaluation, applying mining-engineering and project-management expertise across M&A, financing, and strategic-partnership opportunities.

Prior to Integra Capital, Amanda served roles as Senior Mining Engineer at MACA Mining Ltd, and Mining Engineer at Vale SA.

Non-Executive Chairman Neil Warburton commented *"On behalf of the Board, I would like to warmly welcome Amanda to the Company as a Non-Executive Director and the significant experience in project development she brings to the Board. We look forward to her valuable insights in project management, development and evaluation."*

In addition, the Company is pleased to announce the appointment of Rachel Kogiopoulos as Chief Financial Officer (CFO) which brings the finance function for the Company in-house. Rachel has over 25 years' experience in the mining and mineral processing sectors, where she has provided strategic leadership, including complex finance transformation and business planning, to mineral exploration and development companies.

Her most recent experience includes serving as Finance and Business Services Manager at gold-developer De Grey Mining Ltd (acquired by Northern Star Resources (ASX:NST) for ~\$6 billion).

Rachel is a Certified Practising Accountant (CPA) and graduate member of the Australian Institute of Company Directors (GAICD).

This announcement has been authorised for release by the Board of Vantage Metals.
