

ASX Announcement | 12 August 2026

Cleansing Notice

On 24 July 2026, X2M Connect Limited (ASX:X2M) (the Company) announced it has resolved to proceed with raising by offering Shares to existing eligible shareholders with a registered address in Australia or New Zealand via the opportunity to participate in a Share Purchase Plan (SPP). The SPP will be offered in accordance with ASIC Corporations Instrument 2019/547 (Instrument), which stipulates it is a condition that the Company issue this notice before the SPP offer is made.

The SPP will open (and the SPP offer will be made) at 10.00pm AEST on 12 August 2026. In accordance with the Instrument, the Company confirms that:

- (a) it will make offers to issue Shares under the SPP without disclosure to investors under Part 6D.2 of the Corporations Act 2001 (Cth) (Corporations Act);
- (b) this notice is being given in accordance with section 7(f)(ii) of the Instrument;
- (c) as at the date of this notice, the Company has complied with:
 - (i) the provisions of Chapter 2M of the Corporations Act as they apply to the Company; and
 - (ii) section 674 and section 674A of the Corporations Act; and
- (d) as at the date of this notice, there is no information that is “excluded information” (as defined in sections 708A(7) and 708A(8) of the Corporations Act) that is required to be disclosed by the Company.

Yours faithfully

Oliver Carton
Company secretary

The Company Secretary of X2M has approved this notice.

About X2M Connect Limited

X2M Connect Limited (ASX:X2M) is a leading Australian IoT technology company delivering patent supported solutions that enhance productivity, reduce operational costs and improve public safety for utility and government customers. Its AI-powered platforms enable real-time data exchange, remote control and predictive insights by connecting water, gas and electricity devices as well as other critical sensors to the internet.

X2M's core platform underpins three product families, 'Vision by X2M', 'Hive.AI by X2M' and the 'Help Me' safety device,

supporting more than 85 customers across five key geographies. The Company has connected over 500,000 devices to date and continues to expand its footprint, leveraging strong government and enterprise relationships throughout Japan, South Korea, Taiwan and the Middle East. X2M generates revenue through a mix of hardware sales, recurring SaaS and platform fees, and device connection charges.
