Dear ASX,

RESPONSE TO ASX PRICE QUERY DATED 13 AUGUST 2026

Accent Resources NL (ASX: ACS) (Accent or the "Company") refers to the ASX price query letter dated 13 August 2026 Price Query and provides the following responses:

Question 1

Is ACS aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?

No.

Question 2

If the answer to question 1 is "yes".

- (a) Is ACS relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in ACS's securities would suggest to ASX that such information may have ceased to be confidential and therefore ACS may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.*
- (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).*
- (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?*

Not applicable.

Question 3

If the answer to question 1 is “no”, is there any other explanation that ACS may have for the recent trading in its securities?

ACS notes that on 10 August 2026 it released an announcement titled “Dry Magnetic Separation Testwork Demonstrates Strong Upgrade Potential”, which reported encouraging independent metallurgical testwork results from the Company’s Magnetite Range Project, including the potential to produce concentrate grades in excess of 60% Fe using a fully dry processing flowsheet.

The Company considers that continued investor interest in, and ongoing market assessment of, the results disclosed in that announcement may have contributed to the recent trading activity in its securities. However, the Company is unable to identify any specific explanation for the recent trading and cannot comment on the reasons for individual investor trading decisions.

ACS has made enquiries of its directors and senior management and confirms that, other than the information previously disclosed to the market, it is not aware of any information concerning the Company that has not been announced to the market which, if known, could explain the recent trading in its securities.

ACS confirms that it is complying with the ASX Listing Rules, including Listing Rule 3.1, and is not aware of any information that should be disclosed to the market under Listing Rule 3.1. ACS is also not aware of any pending announcement or other matter that requires disclosure to the market.

Question 4

Please confirm that ACS is complying with the Listing Rule and, in particular, Listing Rule 3.1.

ACS confirms that it is complying with the ASX Listing Rules and, in particular, Listing Rule 3.1.

Question 5

Please confirm that ACS’s responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of ACS with delegated authority from the board to respond to ASX on disclosure matters.

ACS confirms that the responses to the questions above have been authorised and approved by an officer of the Company with delegated authority from the Board to respond to ASX on disclosure matters.

- any other information necessary to inform the market about the trading halt, or that we ask for.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts and Voluntary Suspensions*.

Suspension

If you are unable to respond to this letter by the time specified above, ASX will likely suspend trading in ACS's securities under Listing Rule 17.3.1.

It should be noted that ACS's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

Release of correspondence between ASX and entity

ASX reserves the right to release all or any part of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A. The usual course is for correspondence to be released to the market.
