Webinar Presentation: Comstock - Pathway to Production

Aureka Limited (the **Company** or **Aureka**) advises that Managing Director, James Gurry, will host a webinar on Wednesday 19 August 2026 at 12.00pm AEST to provide investors with an update covering:

- **Introduction of Chief Operating Officer, Zane Smith.**
- **Comstock Project (St Arnaud) Update**, including:
 - Rationale for advancing the **Walkers Pit** as the preferred development pathway.
 - Progress and process relating to the granting of a **Small Mining Licence**.
 - Proposed gold processing arrangements through a partnership with the **Wedderburn Mill**.
 - Results from ongoing **infill drilling**, including recent visual gold observations.
- **Corporate Strategy**, outlining how initial production from the Comstock Project is expected to complement and enhance the development of the Company's flagship **Irvine Project**, including potential operational and development synergies.

Shareholders who wish to attend the webinar, can register via the following link:

https://zoom.us/webinar/register/WN_nGAGrIK6S72TU5vanKwijg

Shareholders are requested to register in advance of the meeting and join at least 15 minutes before the scheduled start time.

A question-and-answer session will follow the presentation. Shareholder questions are to be submitted electronically through the webinar interface. Exploration Manager, Jozef Story, will be available to answer any questions.

This announcement has been approved for release by the Managing Director.
