Kalamazoo Appoints Teresa Pacey as Chief Financial Officer

Kalamazoo Resources Limited (**ASX: KZR**) ("**Kalamazoo**" or "**the Company**") is pleased to announce the appointment of Ms Teresa Pacey as Chief Financial Officer ("**CFO**"), effective 28 September 2026.

Ms Pacey is a highly experienced finance executive and Fellow Certified Practising Accountant ("**FCPA**") with more than 17 years' experience in finance and accounting, including more than a decade in senior finance leadership roles.

Most recently Group Financial Controller and Head of Finance at CoMade Group, Ms Pacey has held senior positions including Finance Director and Head of Finance. She brings extensive experience across financial strategy, budgeting and forecasting, financial reporting, governance, risk management, capital management and finance transformation.

The appointment of Ms Pacey strengthens Kalamazoo's financial and commercial capability as the Company progresses the 1.44Moz Ashburton Gold Project¹ through its Pre-Feasibility Study and advances its broader portfolio of gold and gold-antimony assets across Western Australia and Victoria.

Ms Pacey holds an Executive Master of business Administration from RMIT University and a Master of Professional Accounting from Victoria University. She is a Fellow of CPA Australia.

The Board welcomes Ms Pacey to Kalamazoo and looks forward to her contribution as the Company continues to advance its projects and pursue long-term value for shareholders.

This announcement has been authorised for release to the ASX by the Board of Kalamazoo Resources Limited.

Forward Looking Statements

Statements regarding Kalamazoo's plans with respect to its mineral properties and programs are forward-looking statements. There can be no assurance that Kalamazoo's plans for development of its mineral properties will proceed as currently expected. There can also be no assurance that Kalamazoo will be able to confirm the presence of additional mineral resources/reserves, that any mineralisation will prove to be economic or that a mine will successfully be developed on any of Kalamazoo's mineral properties. The performance of Kalamazoo may be influenced by several factors which are outside the control of the Company and its Directors, staff, and contractors.
