About NRW Holdings Limited:

NRW is a leading provider of diversified contract services to the government, resources, industrial and infrastructure sectors in Australia. With extensive operations around Australia and offices in Canada and the United States, NRW's geographical diversification is complemented by its ability to deliver a wide range of services. These encompass civil construction including bulk earthworks, road and rail construction and concrete installation, together with contract mining and drill and blast services through NRW Civil & Mining, Golding Contractors and Action Drill & Blast. NRW also offers a comprehensive OEM capability through AES Equipment Solutions providing refurbishment and re-build services for earthmoving equipment and machinery. NRW's MET Division comprising RCR Mining Technologies, DIAB Engineering, OFI Industrial and Primero offer tailored mine to market solutions, specialist maintenance (shutdown services and onsite maintenance), Non-Process Infrastructure, innovative materials handling capability and complete turnkey design, construct & operation of minerals processing and energy projects. NRW's EMIT division includes Fredon, a multi-service Electrical, Mechanical (HVAC), Infrastructure, Technology and Maintenance services provider. NRW has a workforce of around 13,000 people supporting more than two hundred projects around Australia, Canada, the United States and New Zealand for clients across the government, resources, infrastructure, industrial engineering, Technology, maintenance and urban development sectors.
