MCS Services Limited (ASX: MSG) – Suspension from Quotation

Description

The securities of MCS Services Limited ('MSG') will be suspended from quotation immediately under Listing Rule 17.3.

MSG entered into an agreement to dispose of its main undertaking. Section 4.7 of ASX Guidance Note 12 states that ASX will generally continue quoting an entity's securities for a period of up to six months from the date of the agreement to dispose of its main undertaking, to allow the entity time to complete the disposal and to identify and announce its intention to acquire a new business.

That six-month period has now expired. MSG has completed the disposal of its main undertaking but has not yet announced its intention to acquire a new business. ASX has therefore determined that MSG's securities will be suspended from quotation under Listing Rule 17.3.

MSG's securities will remain suspended until ASX is satisfied that MSG is in compliance with the ASX Listing Rules, including Listing Rule 12.1 and that it is otherwise appropriate for MSG's securities to be reinstated to quotation.
