Enlitic launches new Investor Hub

Enlitic, Inc. (ASX: ENL) ("the Company") is pleased to advise it has partnered with InvestorHub, a direct-to-investor engagement platform that gives listed companies the tools to build direct, interactive relationships with their shareholders.

The launch of Enlitic's Investor Hub brings the Company's content and communications into a single, accessible platform - giving investors a central destination to follow Enlitic's progress as the Company advances the commercialisation of its AI-powered healthcare data solutions. The Company will regularly publish updates via the Hub, including videos accompanying select announcements, management interviews, product and partnership updates, and corporate research.

CEO, Michael Sistenich, commented: "*Enlitic is excited to be partnering with InvestorHub and looks forward to using the platform to engage more directly with our shareholders, share our progress and build a stronger connection with our investor community*."

How to sign up for the Enlitic investor hub:

1. Visit https://enlitic.com/s/81472c
2. Follow the prompts to sign up for our investor hub account
3. Complete your account profile

– ENDS –

This announcement was authorised for release by the Company Secretary of Enlitic, Inc.

About Enlitic

Enlitic is a software company that uses artificial intelligence to develop software products that manage medical imaging data in radiology (such as MRI, CT scans, X-ray and ultrasound images) and licences such products to healthcare providers. Enlitic's products (including its current product offering and product suite under development) seek to standardise, protect, integrate, and analyse data to create the foundation of a real-world evidence platform that can improve clinical workflows, increase efficiencies, and expand capacity. Enlitic's CDIs are traded on ASX in reliance on the safe harbour provisions of Regulation S under the US Securities Act of 1933 as amended, and in accordance with the procedures established pursuant to the provisions of a no action letter dated 7 January 2000 given to ASX by the staff at the US Securities and Exchange Commission. The relief was given subject to certain procedures and conditions described in the no action letter. One of the conditions is that the issuer provides notification of the Regulation S status of its securities in communications such as this announcement.
