Letter to Investors

Wednesday, 19 August 2026

Dear Unitholder,

We are pleased to announce an off-market Buy-Back for Units in the MA Credit Income Trust (ARSN 681 002 531, ASX: MA1 (**MA1 or Trust**)) with a Buy-Back Pricing Date of Wednesday, 30 September 2026. The Buy-Back which is being offered by the Responsible Entity is a mechanism for Unitholders to apply to exit their investment in MA1 as part of the capital management initiatives for MA1.

Buy-Back Offer

As part of the capital management initiatives for the Trust, Eligible Unitholders will have the opportunity to participate in a Buy-Back Offer of up to 2.5% of the total Units of the Trust on the Buy-Back Record Date at the Buy-Back Price on an equal access, off-market basis. The Responsible Entity intends to conduct the Buy-Back within the 10/12 Limit and confirms that:

- the Responsible Entity does not hold any interest in the Trust;
- no associate of the Responsible Entity holds Units in the Trust as at the date of this Booklet; and
- the Buy-Back Consideration will be paid out of the assets of the Trust, including from proceeds paid to the Trust resulting from the redemption of the Trust's units in the Underlying Fund.

The Buy-Back Price is the NAV Per Unit as at the Buy-Back Pricing Date. The NAV Per Unit will be calculated by the independent Administrator of the Trust.

If the Responsible Entity receives acceptances for more units than 2.5% of the total Units of the Trust, Nominated Units the subject of valid acceptances will be subject to a Scale-Back and reduced by the same proportion needed to ensure the Responsible Entity buys back no more than 2.5% of the total Units of the Trust on issue at the Buy-Back Record Date. If the Responsible Entity only receives acceptances for fewer units 2.5% of the total Units of the Trust on issue at the Buy-Back Record Date, then all units the subject of valid acceptances will be bought back. If the number of Units to be bought back under the Buy-Back would exceed the 10/12 Limit and Unitholder approval to do so has not been obtained, the Nominated Units the subject of valid acceptances will also be subject to Scale-Back and reduced by the same proportion needed to ensure the Responsible Entity buys back no more than the maximum amount permitted by the 10/12 Limit.

This off-market buy-back mechanism is intended to provide investors with an alternate option to sell their holdings. It is also intended to give investors a better investment outcome over traditional listed investment trust structures by reducing the propensity for trading on-market to occur at large discounts to the NAV per Unit.

Eligible Unitholders who elect not to participate in the Buy-Back Offer will retain their exposure to MA1 with no action necessary on their part.

Any Units which are bought back will be cancelled immediately upon registration of the transfer to the Responsible Entity of the Units bought back (they are not disposed of or on-sold again on-market).

How to apply

The Buy-Back closes at 7:00pm (Sydney time) on Wednesday, 23 September 2026. To participate in the Buy-Back you should ensure that your completed Buy-Back Election Form is received by the Unit Registry by no later than 7:00pm on the Buy-Back Closing Date of Wednesday, 23 September 2026.

Please carefully read this Booklet in its entirety and consult your financial, legal, tax or other professional adviser before making your investment decision. In particular, you should read and consider the risk factors set out in Section 5 of this Booklet, which contains a summary of some of the key risks associated with the Buy-Back.

If you have any questions in respect of the Buy-Back, please call the Unit Registry on 1300 135 167 for callers within Australia or +61 2 8023 5415 for callers outside of Australia between 8:30am and 5:00pm (Sydney time), Monday to Friday.

We would like to take this opportunity to thank you for your ongoing support.

1. Overview of the Buy-Back Offer

1.1 Buy-Back Offer

- (a) The Responsible Entity is making an off-market equal access Buy-Back Offer to all Eligible Unitholders in the Trust for 2.5% of the total Units of the Trust on the Buy-Back Record Date at the Buy-Back Price.
- (b) If the Responsible Entity receives acceptances for more units than 2.5% of the total Units of the Trust or the number of Units to be bought back exceeds the 10/12 Limit, the number of each Selling Unitholder's Nominated Units will be subject to a Scale-Back and reduced by (as applicable):
 - (i) the same proportion needed to ensure the Responsible Entity buys back no more than 2.5% of the total Units of the Trust. If the Responsible Entity only receives acceptances for less units than 2.5% of the total Units of the Trust, then all Nominated Units will be bought back; and
 - (ii) the same proportion needed to ensure the Responsible Entity buys back no more than the maximum amount permitted by the 10/12 Limit.

Requests to apply for the Buy-Back will not be carried forward to future periods in the event of Scale-Back.

- (c) Eligible Unitholders are those who are registered as a holder of Units as at the Record Date,¹ and who are not an Excluded Foreign Holder. Requests to apply for the buy-back will not be carried forward to future periods in the event of scale back.
- (d) Eligible Unitholders who elect not to participate in the Buy-Back Offer will retain their exposure to MA1 with no action necessary on their part.
- (e) The Buy-Back opens for acceptance on the Buy-Back Open Date,¹ and valid Buy-Back Election Forms must be received by 7:00pm on the Buy-Back Closing Date.¹ Buy-back agreements are not entered into until the Buy-Back Offer Period for acceptance of offers has closed. Acceptance of the offer is revocable until the Buy-Back Offer Period has closed.
- (f) In accordance with the timetable in the "Key Dates" Section of this Booklet, the Responsible Entity reserves the right to change these dates. Any changes to the indicative timetable in the "Key Dates" Section of this Booklet will be announced on ASX.
- (g) The Buy-Back Consideration will be paid out of the assets of the Trust.
- (h) Any Units which are bought back will be cancelled immediately upon registration of the transfer to the Responsible Entity of the Units bought back (and, for the avoidance of doubt, no such Units will be disposed of or on-sold again by the Responsible Entity on-market).
- (i) Participation in the Buy-Back is personal to each Unitholder. Unitholders cannot transfer or renounce their rights to participate in the Buy-Back.

1.2 Buy-Back Price

- (a) The price at which the Units will be bought back under the Buy-Back Offer will be the Buy-Back Price. The Buy-Back Price is equal to the NAV Per Unit as at the Buy-Back Pricing Date.
- (b) The NAV per Unit will be calculated by the independent Administrator of the Trust.
- (c) Unitholders who opt in to the Buy-Back Offer will be entitled to any distributions in respect of Nominated Units (subject to any applicable Scale-Back) up to the 30 September 2026 distribution record date, as Units will be cancelled on 1 October 2026. The distribution will be paid separately to the proceeds of the Buy-Back Offer.

¹ Please refer to 'Key Dates' section of this Booklet.

2. Advantages and disadvantages of the Buy-Back Offer

2.1 Advantages of the Buy-Back

- (a) All Eligible Unitholders have an equal opportunity to participate in the Buy-Back and also have flexibility to tailor their level of participation (as an example, investors may elect to participate in the buy-back for only a portion of their Units in the Trust) to suit their individual circumstances.
- (b) Selling Unitholders will not have to pay brokerage or appoint a stockbroker to sell their Units pursuant to the Buy-Back.
- (c) If the on-market price of the Units decreases below the Buy-Back Price, Eligible Unitholders who participate in the Buy-Back will receive a greater price per Unit than may otherwise have been achieved by selling those Units on-market.
- (d) Subject to the Responsible Entity determining to pay a distribution (in its discretion), Unitholders will receive any distributions on any Nominated Units (subject to any applicable Scale-Back) with a distribution record date between the Buy-Back Record Date and the day before the Buy-Back Cancellation of Units Date.

2.2 Disadvantages of the Buy-Back

- (a) If the on-market price of Units increases above the Buy-Back Price, Eligible Unitholders who participate in the Buy-Back and sell their Units for the Buy-Back Price will receive a lower price per Unit than they would have received if they had sold their Units on-market.
- (b) Selling Unitholders will not receive any amounts relating to future distributions on their cancelled units on and from the Buy-Back Cancellation of Units Date (including up to the Buy-Back Payment Date). If a distribution has a record date of 30 September 2026, but Units are not cancelled until the Buy-Back Cancellation of Units Date, Eligible Unitholders who participate in the Buy-Back may also forego any accrued distributions on their Nominated Units (subject to any applicable Scale-Back) between the date of the last distribution and the Buy-Back Cancellation of Units Date.
- (c) After the Buy-Back Cancellation of Units Date, the number of total Units on issue in the Trust will be reduced (which may impact the liquidity in trading of Units).
- (d) The Buy-Back will increase the voting power of Unitholders who elect not to participate in the Buy-Back.
- (e) Taxation consequences may be triggered to Selling Unitholders (such as the realisation of a capital gain or a capital loss). A summary of the possible taxation consequences for Australian and New Zealand resident Selling Unitholders is set out in section 4.

3. Information about the Buy-Back process

3.1 What should you do?

- (a) **Read this Booklet and the accompanying forms**

This Booklet, and the accompanying personalised Buy-Back Election Form, contain important information about the Buy-Back. You should read each of these documents carefully and in their entirety before deciding whether or not to participate in the Buy-Back.
- (b) **Consider the Buy-Back in light of your particular investment objectives and circumstances**

If you are in any doubt about the information provided or the action you should take in relation to the Buy-Back, you should consult your financial, legal, tax or other professional adviser.
- (c) **Decide what you want to do**

Participation in the Buy-Back is voluntary. If you choose not to participate, you do not need to do anything. However, only an Eligible Unitholder can elect to participate in the Buy-Back.

If you wish to sell Units in the Buy-Back, you need to decide the number of Units that you wish to offer to sell. The maximum number of Units that you may offer to sell through the Buy-Back is the

total number of Units for a registered holding as shown on your Buy-Back Election Form. If you wish to sell Units in the Buy-Back, you will need to complete and sign your personalised Buy-Back Election Form that accompanies this Booklet and return it to the Unit Registry.

If you wish to participate in the Buy-Back, you must ensure that your completed Buy-Back Election Form is received by the Unit Registry by no later than 7:00pm (Sydney time) on the Buy-Back Closing Date.²

3.2 How to apply to sell Units in the Buy-Back

How you participate in the Buy-Back depends on whether your Units are held as an Issuer Sponsored Holding or as a CHESS Holding. Please refer to sections 3.2(b) below as applicable.

Instructions on how to complete and return the Buy-Back Election Form are included on the Buy-Back Election Form. The Buy-Back Election Form is personalised to you, including whether you have an Issuer Sponsored Holding or CHESS Holding.

(a) **If you elect to participate, decide how many Units you wish to sell through the Buy-Back**

If you are an Eligible Unitholder, you may elect to sell all or some of the Units you hold as at 5:00pm on the Buy-Back Record Date.¹ The maximum number of Units you may sell through the Buy-Back is shown on your Buy-Back Election Form and is the total number of Units for that particular registered holding at the Buy-Back Record Date. If you elect to sell some or all of your Units by validly completing your Buy-Back Election Form, those units will be purchased by the Responsible Entity under the Buy-Back (subject to the Responsible Entity accepting your Offer and any Scale-Back).

(b) **Complete and submit your Buy-Back Election Form**

Instructions for Issuer Sponsored Holdings

If you hold Units through an Issuer Sponsored Holding, complete your personalised Buy-Back Election Form in accordance with the instructions on it and return it to the Unit Registry at the address indicated on the form (and set out below). You should allow sufficient time for your Buy-Back Election Form to be received by the Unit Registry by no later than 7.00pm (Sydney time) on the Buy-Back Closing Date.

Neither the Responsible Entity nor the Unit Registry will be responsible for any delays incurred by the process of requesting your Controlling Participant to process your Offer.

Your completed Buy-Back Election Form must be received by the Unit Registry by no later than 7:00pm (Sydney time) on the Buy-Back Closing Date³. You can submit your Buy-Back Election Form at any time up to that time, however there is no priority by virtue of returning the Buy-Back Election Form earlier rather than later.

The Responsible Entity may reject your Buy-Back Election Form if it is not received by the Unit Registry by 7:00pm (Sydney time) on the Buy-Back Closing Date.³ You should allow sufficient time for this to occur if you are sending your Buy-Back Election Form by mail.

To withdraw or amend your Buy-Back Election Form, you will need to submit a Withdrawal/Amendment Form. You can obtain a Withdrawal/Amendment Form by contacting the

You can withdraw your Buy-Back Election Form in its entirety by ticking the 'Withdrawal' box on the Withdrawal/Amendment Form, completing your Unitholder details and returning it to the Unit Registry at the address or email address provided on the form so that it is received by no later than 7:00pm on the Buy-Back Closing Date⁴. If the Unit Registry does not receive your Withdrawal/Amendment Form by this time, your withdrawal will be of no effect.

If you wish to amend your Buy-Back Election Form to increase or decrease the number of Units which you have elected to sell through returning your completed Buy-Back Election Form, then you must tick the 'Amendment' box on the Withdrawal/Amendment Form. You must then complete your Unitholder details and details of the number of Units you wish to sell in accordance with the instructions shown on the Withdrawal/Amendment Form and sign and return the form to the Unit Registry at the address provided so that it is received by no later than 7:00pm on the Buy-Back Closing Date.⁴ If the Unit Registry does not receive your Withdrawal/Amendment Form by this time, or if your Withdrawal/Amendment Form is incomplete or incorrect, you will not have successfully amended your Buy-Back Election Form.

The effect of amending your Offer, through submitting a Withdrawal/Amendment Form, will be to replace all previous Offers and amendments made by you with a new Offer detailed on your Withdrawal/Amendment Form. Any amendment or withdrawal will not be effective unless it is received by no later than 7:00pm on the Buy-Back Closing Date⁴ and the most recent Offer received will be taken to be the final Offer.

If your Withdrawal/Amendment Form is incomplete or incorrect, the Unit Registry will make two attempts to contact you before the Buy-Back Closing Date⁴. Where there is insufficient time or you cannot be contacted, your Withdrawal/Amendment Form will not be accepted.

If you hold units in the Trust via CHESS, you may submit the Withdrawal/Amendment Form to your sponsoring broker.

3.3 Unitholder declarations – Participation in the Buy-Back

The effect of submitting an Offer is as follows:

- (a) By submitting an Offer, and if you do not, before 7:00pm (Sydney time) on the Buy-Back Closing Date, withdraw that Offer, you are irrevocably offering to sell the Nominated Units (subject to any Scale-Back) to the Responsible Entity under the Buy-Back on the terms set out in this Booklet.
- (b) Submission of your Offer does not, of itself, constitute a binding contract for the sale of your Units. No agreement for a buy-back of Units by the Responsible Entity will be formed before the Responsible Entity accepts your Offer, which will not be before 7:00pm on the Buy-Back Closing Date.
- (c) If you have a direct holding in the Trust and have lodged a validly completed Buy-Back Election Form (or Withdrawal/Amendment form in the case of amendment) prior to 7:00pm on the Buy-Back Closing Date, and you also have not, before 7:00pm on the Buy-Back Closing Date, withdrawn your Offer, then, following 7:00pm on the Buy-Back Closing Date, the Responsible Entity can accept your Offer, meaning a binding contract will be formed between you and the Responsible Entity for you to sell, and the Responsible Entity to buy back, your Nominated Units on the terms and conditions set out in this Booklet and your Buy-Back Election Form.
- (d) If you hold units in the Trust via CHESS, the Responsible Entity will need to confirm with your Controlling Participant for any submission of your Buy-Back Election Form before it can be taken as validly submitted and there may not be sufficient time to do so for any Buy-Back Election Form submitted by CHESS sponsored holders after 4.00pm (Sydney time) on the Buy-Back Closing Date. You can also instruct your Controlling Participant to process your instruction to participate in the Buy-Back Offer. Upon acceptance of your Offer, the accepting units will be locked and will not be able to be transferred, sold, or otherwise dealt with by the Selling Unitholder (unless the acceptance is subsequently withdrawn and the accepting units are unlocked).
- (e) By making an Offer, and if you do not withdraw that Offer before 7:00pm on the Buy-Back Closing Date, you are taken to:

- (i) agree to the terms and conditions set out in this Booklet;
- (ii) irrevocably offer to sell your Nominated Units (subject to any Scale-Back) to the Responsible Entity on the Buy-Back Closing Date;

- (iv) agree that the Responsible Entity may amend the timetable for the Buy-Back (including but not limited to the Buy-Back Closing Date, Buy-Back Cancellation of Units Date, the Buy-Back Pricing Date and Buy-Back Payment Date) as permitted by law and as described in this Booklet;

- (vi) warrant to the Responsible Entity that:
 - (A) at all times after you submit your Offer, and on the Buy-Back Closing Date you are and will be the registered holder of your Nominated Units and that these units are free from any mortgage, charge, lien or other encumbrance or unit interest (whether legal or equitable) and from any third-party rights and are otherwise able to be sold freely by you;
 - (B) you have read and understood this Booklet;
 - (C) if you are a trustee or nominee having elected to participate in the Buy-Back on behalf of some or all beneficial holders on whose behalf you hold Units, such acceptances have been duly made in accordance with the instructions of the beneficial holders and/or the applicable trust or nominee arrangements and that participation in the Buy-Back on behalf of beneficial holders does not constitute a breach of trust, contract or any applicable law;

- (xi) authorise the Responsible Entity to arrange payment of your Buy-Back Consideration by direct credit to your nominated account as recorded on the Register at 7:00pm (Sydney time)

3.4 Important information for Unitholders

(a) **Governing Law**

This Booklet, the Buy-Back, and the contracts formed on acceptance of Buy-Back Election Forms are governed by the law applicable in New South Wales, Australia.

Each Unitholder who participates in the Buy-Back submits to the jurisdiction of the courts of New South Wales, Australia.

(b) **Taxation**

There will be tax implications associated with participating in the Buy-Back. The tax implications of the Buy-Back will depend on your personal circumstances, and whether or not you decide to participate in the Buy-Back.

A general outline of the main Australian tax implications of the Buy-Back is set out in Section 4 of this Booklet. This outline is general in nature.

You should consult with your own tax advisers for detailed tax advice regarding the Australian and, if applicable, foreign tax implications of participation in the Buy-Back in light of your particular circumstances before making a decision as to how, and whether, to participate in the Buy-Back.

(c) **Information availability**

Eligible Unitholders can obtain a copy of this Booklet at <https://mafinancial.com/invest/private-credit/ma-credit-income-trust/or> by calling the Unit Registry on 1300 135 167 for callers within Australia or +61 2 8023 5415 for callers outside Australia between 8.30am to 5.00pm (Sydney time), Monday to Friday. Persons who access the electronic version of this Booklet should ensure that they download and read the entire Booklet. The electronic version of this Booklet will not include a Buy-Back Election Form. Replacement forms can be requested by calling the Unit Registry.

(d) **Interests of the Responsible Entity and its associates**

The Responsible Entity is not a Unitholder in the Trust and as such will not have any interest in the Buy-Back. No associate of the Responsible Entity holds Units in the Trust as at the date of this Booklet.

(e) **Cancellation of Units**

A buy-back is a process whereby the Responsible Entity invites its Unitholders to offer to sell some or all of their units to the Responsible Entity. Units bought back by the Responsible Entity are cancelled, reducing the number of units the Responsible Entity has on issue. Accordingly, Units

which are bought back from Unitholders under the Buy-Back will be transferred to the Responsible Entity and cancelled.

(f) Payment of Buy-Back Consideration

The Responsible Entity will pay Unitholders the Buy-Back Consideration on the Buy-Back Payment Date, being the Buy-Back Price multiplied by the number of Units that the Responsible Entity buys back, unless it is prohibited from doing so by law or on the terms of the Buy-Back set out in this Booklet.

If you wish to change your current direct credit instructions, you can do so by providing written instructions to the Unit Registry before the Buy-Back Closing Date. Please note that if you do alter your nominated bank account details this will be taken to be your nominated bank account for any future payments by the Responsible Entity.

Payments to bank accounts are expected to be completed by the Buy-Back Payment Date. Payments to these accounts will satisfy the Responsible Entity's obligation to pay any Buy-Back Consideration.

Unitholders with a registered address in New Zealand should refer to the Buy-Back Election Form regarding arrangements for the payment of the Buy-Back Price in New Zealand dollars (which may be offered or revoked by the Responsible Entity in its discretion).

(g) Withdrawals and amendments

Once you have submitted your Buy-Back Election Form, it can only be withdrawn or amended by following the procedure set out in Section 3.2(c) of this Booklet.

(h) Right to accept or reject Buy-Back Election Forms

At any time, the Responsible Entity may (at its sole discretion):

- (i) accept or reject any Buy-Back Election Form; or
- (ii) accept or reject a Buy-Back Election Form not made on the terms and conditions, or a Buy-Back Election Form not submitted in accordance with the procedures, set out in this Booklet and the Buy-Back Election Form.

The Responsible Entity may do each of these things in relation to all or some of the Buy-Back Election Forms it receives, in its absolute discretion.

The Responsible Entity will not accept any offer to sell Units through lodgement of a valid Buy-Back Election Form that it may not lawfully accept or which, if accepted, would give rise to an illegal or unenforceable contract or a contract that the Responsible Entity cannot otherwise perform.

(i) Right to terminate Buy-Back

Without limitation, the Responsible Entity reserves the right to terminate the Buy-Back at any time prior to the date on which the Responsible Entity enters into contracts with Unitholders to buy back the Units by making an announcement to the ASX to that effect.

(j) Margin lending and other arrangements

If you hold Units under margin lending arrangements or if the Units are held as security for a loan, you should ensure that your participation in the Buy-Back is permitted by those lending arrangements.

(k) Unitholders with more than one holding

You will receive the Buy-Back Election Form for each separate registered holding of Units. For example, if you hold some Units in your name and some Units jointly with your spouse, you will receive two Buy-Back Election Forms. You may apply to sell your Units from any or all of your separate registered holdings, provided that you complete the relevant Buy-Back Election Form and follow the instructions for each holding.

(l) **Joint Unitholders**

If you hold your Units jointly with another person (for example, your partner), you must complete and return the Buy-Back Election Form in accordance with the instructions for joint holdings on the Buy-Back Election Form.

(m) **Units held by trustees and nominees**

Trustees and nominees who hold Units should inform the beneficial owners of the Units about the Buy-Back, subject to any legal restrictions in the countries where such beneficial owners are resident, and then aggregate all Buy-Back applications from beneficial owners who are Eligible Unitholders. It is the responsibility of the trustee or nominee to complete one aggregated Buy-Back Election Form on behalf of all beneficial owners or make arrangements to lodge a series of individual Buy-Back Election Forms on behalf of all beneficial owners.

(n) **Foreign restrictions**

This Booklet does not constitute an offer to purchase Units in any jurisdiction in which it would be unlawful. Without limitation, Units may not be offered for purchase in any country outside of Australia and New Zealand.

(o) **ASIC relief**

The Responsible Entity has received approval from ASIC for the following technical relief to facilitate implementation of the Buy-Back:

(iii) for the Responsible Entity:

- (A) relief from section 601GA(4) and the withdrawal provisions in Part 5C.6 of the Corporations Act in relation to a Buy-Back;
- (B) relief from section 601FC(1)(d) of the Corporations Act to provide relief from the equal treatment provisions for Excluded Foreign Holders;
- (C) relief from section 601FG(1)(a) of the Corporations Act to facilitate the Buy-Back at the Buy-Back Price even if the Units trade at a higher price than the Buy-Back Price; and
- (D) relief from Division 5A of Part 7.9 of the Corporations Act to permit the Buy-Back offer materials to be sent to Unitholders.

(iv) for the Responsible Entity and Unitholders, modify s 611 of the Corporation Act to allow the Responsible Entity and Unitholders to acquire a relevant interest in Units above the 20% permitted 'takeovers threshold' as a consequence of the Buy-Back.

This relief is subject to conditions consistent with precedent customary relief.

4. Tax implications and considerations

The Responsible Entity does not provide taxation advice. Each Unitholder must take full and sole responsibility for the associated taxation implications arising from the Buy-Back.

The taxation information provided in this Booklet is general in nature and is based on the law and administrative practices of the ATO and New Zealand Inland Revenue Department (as applicable) as at the date of this Booklet.

The impact of tax varies according to individual circumstances and Unitholders should seek their own tax advice in respect of the Buy-Back. The following summary is intended for Australian and New Zealand tax resident (and in the case of New Zealand, not transitional resident) taxpayers and assumes that the Unitholder holds Units on capital account for tax purposes, and does not hold the Units in the course of trading or dealing in units or otherwise hold the Units on revenue account, as trading stock, or as a financial arrangement subject to the taxation of financial arrangements (TOFA) rules. It does not cover all tax implications of the Buy-Back.

4.1 Buy-Back – Australian Selling Unitholders

The Buy-Back of Units will constitute a disposal of the Units for CGT purposes and may result in a capital gain and/or capital loss for a Selling Unitholder resident in Australia for income tax purposes.

A capital gain will arise to a Selling Unitholder where the capital proceeds from the Buy-Back of a Unit is greater than the cost base of the Unit for CGT purposes. A capital loss will arise if the capital proceeds on the Buy-Back of a Unit are less than the reduced cost base of the Unit for CGT purposes.

Any capital gain or capital loss realised by a Selling Unitholder in respect of the Buy-Back should be aggregated with any other capital gains or capital losses that the Selling Unitholder may have in that income year, less any available net capital losses from prior income years, to determine the Selling Unitholder's net capital gain or capital loss for that year. A net capital gain may be eligible for discount CGT treatment. A capital loss can only be offset against capital gains. Capital losses may be carried forward and offset against future taxable capital gains, although the utilisation of capital losses by certain entities is subject to the satisfaction of loss carry forward rules.

4.2 Discount CGT treatment – Australian Selling Unitholders

Discount CGT treatment may be available to reduce any net capital gain realised by a Unitholder in respect of the Buy-Back of a Unit. If the Unit has been held for at least 12 months, a Unitholder may, after offsetting capital losses of the Unitholder, be able to discount the resulting capital gain by one half in the case of an individual or trust, or one third in the case of a complying superannuation entity.

A Unitholder who disposes of Units (including under the Buy-Back) within 12 months of acquiring them or disposes of them under an agreement entered into within 12 months of acquiring the Units will not be eligible for discount CGT treatment.

Any net capital gain, after applying discount CGT treatment (where applicable), is included in the Unitholder's assessable income.

4.3 Duty – Australian Selling Unitholders

Stamp, transaction or other duty will not be payable on the cancellation of Selling Unitholders' Units after acceptance of a Buy-Back Election Form.

4.4 Buy-Back – New Zealand Selling Unitholders

The New Zealand tax implications of the Buy-Back will depend on whether a New Zealand Unitholder is taxed on their Units under the foreign investment fund (**FIF**) rules or the ordinary dividend tax rules.

Broadly, the ordinary dividend rules will apply to natural persons and trustees where the total cost of their FIF investments is not more than NZ\$50,000. When applying this threshold, the cost of investments that are specifically excluded from the FIF rules (most notably shares in ASX listed companies) is ignored. A New Zealand Unitholder may elect that the de minimis exclusion does not apply.

The FIF rules will apply to New Zealand Unitholders who exceed the NZ\$50,000 threshold or who elect to apply the FIF rules.

(a) **FIF rules**

Under the fair dividend rate (**FDR**) method, a New Zealand Unitholder is generally deemed to have taxable income each tax year equal to 5% of the market value of the New Zealand Unitholders FIF investments, including their Units, as at 1 April. Because of the way that income under the FDR method is calculated (a fixed percentage of the opening value of the Units), the Buy-Back proceeds are not separately taxable and do not form part of the calculation of income. However, if the Units are acquired and disposed of under the Buy-Back in the same tax year, then the Buy-Back proceeds may be a component of the FDR method income calculation. A variation of the FDR method applies to New Zealand Unitholders who are managed funds.

New Zealand Unitholders who are natural persons and certain trusts can switch to the comparative value (**CV**) method from tax year to tax year. If the CV method is applied in the tax year of the Buy-Back, then the difference between the market value of the Units at the start of the tax year of the Buy-Back and the Buy-Back proceeds will be brought to tax.

A limited class of New Zealand Unitholder (e.g. certain recent migrants who are US citizens) may be able to apply the revenue account method (**RAM**) to their Units. To the extent that the Buy-Back proceeds exceed the subscription amount for the Units that are subject to the Buy-Back, that amount may be taxable income under the RAM for the New Zealand Unitholder.

The income of a New Zealand Unitholder from their Units should be the amount arising under the FIFO rules. The Buy-Back proceeds are not otherwise separately taxed.

(b) **Dividend tax rules**

The Buy-Back will give rise to dividend income for New Zealand Unitholders, to the extent that the Buy-Back proceeds exceed the subscription amount for the Units that are subject to the Buy-Back.

The Buy-Back also gives rise to a disposal of the Units. New Zealand Unitholders who hold their Units on capital account will not be taxable on any disposal gains from the Buy-Back.

Where a New Zealand Unitholder holds their Units on revenue account, gains on disposal of the Units on Buy-Back should be taxed. Certain rules would apply to prevent double taxation where a New Zealand Unitholder has dividend income and a taxable gain on disposal of the Units subject to Buy-Back.

5. Risk factors

This Section describes some of the potential risks associated with the Buy-Back.

These risks could, if they were to eventuate, have a material adverse effect on the Trust's financial position, operating and financial performance and the value of the Units. Many of the circumstances giving rise to these risks are partially or completely outside the control of the Responsible Entity or its directors or management and either cannot be mitigated or can only be partially mitigated.

You should note that this Section 5 is a summary only and is not an exhaustive list of the risks relating to the Buy-Back. There may be additional risks and uncertainties not currently known to the Trust, or not currently considered material, which may have a material adverse effect on the Trust's financial position, operating and financial performance and the value of the Units.

Before deciding whether to participate in the Buy-Back, Unitholders should carefully read this Booklet in its entirety and specifically consider the risks in this Section 5.

This Booklet does not take into account the investment objectives, financial situation, or the particular needs or risk profiles of individual Unitholders. You should carefully consider the following risks, as well as the other information contained in this Booklet, and seek professional advice from your accountant, tax adviser, stockbroker, lawyer, or other professional adviser before making any decision in relation to your Units.

5.1 Scale-Back under the Buy-Back

There is a risk that the number of Units bought back from each Eligible Unitholder who elects to participate in the Buy-Back will be scaled back from their election. This Scale-Back will occur if the total number of Nominated Units to be bought back exceeds:

- (a) 2.5% of the total Units of the Trust; or
- (b) the 10/12 Limit,

to the proportionate extent required to ensure that the Units bought back by the Responsible Entity do not exceed either applicable limit.

5.2 Tax consequences for Unitholders

There will be capital gains tax consequences for Selling Unitholders who hold their units on capital account and participate in the Buy-Back.

Further information on the tax consequences of the Buy-Back is set out in Section 4. Unitholders should seek their own professional advice regarding the individual tax consequences of the Buy-Back.

5.3 Future performance of the Trust

Selling Unitholders will have their Nominated Units (subject to any Scale-Back) bought back and cancelled and if all of their Units are bought back, those Unitholders will cease to have any rights as a member of the Trust (which includes losing the right to participate in the future financial performance of the Trust).

6. Financial implications

6.1 Financial performance

Copies of the FY25 full-year results can be found on the MA1 website at <https://mafinancial.com/invest/private-credit/ma-credit-income-trust/>.

6.2 Material developments

Unitholders should be aware that from time to time, the Trust may be involved in or affected by material developments (including strategic initiatives and potential corporate transactions). If there is a material development, the Responsible Entity may make an announcement to the ASX. Where it is not appropriate to immediately disclose a material development, it may become necessary to terminate or extend the Buy-Back to ensure that the Buy-Back only proceeds in circumstances where Unitholders are fully informed of all material information. Any decision made to terminate or extend the Buy-Back will only be made after due and careful consideration of the best interests of Unitholders and will be announced to ASX.

Announcements made by the Responsible Entity in relation to any material developments in respect of the Trust's business are released to the ASX and can also be found on the MA1 website at <https://mafinancial.com/invest/private-credit/ma-credit-income-trust/>.

6.3 Buy-Back funding

It is intended that the Buy-Back will be funded from the assets of the Trust and existing debt facilities (or a combination of both).

6.4 Impact of Buy-Back on issued Units

The Trust has 279,732,686 Units on issue as at the date of this Booklet. If 2.5% of the Units currently on issue are bought-back and cancelled under the Buy-Back, the Trust will have 272,739,369 Units on issue after the Buy-Back Cancellation of Units Date.

6.5 Control of the Trust

Given the percentage of issued Units the subject of the Buy-Back and the Trust's current Register, the Buy-Back is not expected to have any change of control implications for the Trust.

6.6 Impact of the Buy-Back on the Trust's balance sheet

The table below sets out the Trust's balance sheet as at 30 June 2026 and a consolidated pro forma balance sheet after the payment of the Buy-Back Consideration (calculated using an example Buy-Back Price of \$2.0048, being the NAV per Unit as at 10th August 2026).

	30 June 2026	Pro forma balance sheet (after buy-back)
	(\$'000)	(\$'000)

Note: Pro forma balance sheet (after buy-back) is based on MA1's valuation as at 10 August 2026

The final impacts of the Buy-Back may differ from those presented in the table above, as the final Buy-Back Price determined by the Administrator under Section 1.2(b) of this Booklet may be more or less than the NAV per Unit as at the date of this Booklet.
