

Investor Webinar on Colossus Definitive Feasibility Study Results

ASX Release: 20 August 2026

Viridis Mining and Minerals Limited (ASX: VMM) ('Viridis' or 'Company') is pleased to invite shareholders, investors, and media to a webinar where the Company will present the Definitive Feasibility Study results for the Colossus Rare Earth Element Project. This announcement follows the completion of the Definitive Feasibility Study ('DFS'), and the announcement of the DFS results, which build on the Colossus Pre-Feasibility Study (ASX announcement on 9 July 2025), confirming Colossus as a technically robust, commercially attractive and finance-ready development.

Date: Thursday, 20 August 2026

Time: 8.30am (AWST) / 10.30am (AEST)

Webinar Link: https://us02web.zoom.us/webinar/register/WN_IAhsxNanS6WcurxYnr1VzQ

Managing Director - Rafael Moreno will host the session, providing an in-depth overview of the DFS findings, including key highlights of the Colossus Project's development potential as a world-leading source of critical rare earth elements. The presentation will be followed by an interactive Q&A session, allowing participants to address their questions directly to the management team.
