

## **NewPeak Metals to present Las Opeñas drilling results in investor webinar**

NewPeak Metals Limited (**ASX: NPM**) (**NewPeak** or the **Company**) advises it will host an investor update via webinar for shareholders and interested stakeholders on **25, August at 9am AWST/11am AEST**.

The webinar will be hosted by Managing Director, Mark Purcell, who will provide an update on the Company's 100%-owned Las Opeñas Gold Project in San Juan Province, Argentina, following the release of recent drilling results.

A Q&A session for investors will follow the presentation. It is anticipated that the webinar will run for approximately 30 minutes, with some time allocated at the end for Q&A.
