¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

PRINCIPLES AND RECOMMENDATIONS	COMPLY (YES/NO)	EXPLANATION
Principle 1: Lay solid foundations for management and oversight		
Recommendation 1.1 A listed entity should have and disclose a board charter setting out: a) the respective roles and responsibilities of the board, and management; and b) those matters expressly reserved to the board and those delegated to management.	YES	The Company has adopted a Board Charter which complies with the guidelines prescribed by the ASX Corporate Governance Council. A copy of the Company's Board Charter is set out with the Company's Corporate Governance Plan which is available on the Company's website. The Company has a Board of three non-executive directors and one employee, namely the company secretary/chief financial officer. Due to the lack of complexity in the Company's operations no director acts as chief executive officer. In accordance with Board policy the company secretary/chief financial officer is primarily and directly responsible to the directors for the general and overall management of the Company. The company secretary/chief financial officer is responsible to the Board for the implementation of the strategy and management of the Company. He manages the Company's operations in accordance with the strategy, business plans and policies approved by the Board to achieve agreed goals. He acts as public officer for taxation matters and is responsible for the Company's continuous disclosure requirements of the ASX.
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive, or putting someone forward for election, as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	YES	The functions of the Nomination Committee are performed by the full Board, which is responsible for the selection and appointment of members of the Board. The Company's Nomination Charter requires the Nomination Committee to undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a Director. During the financial year, the shareholders of the Company re-elected David Prescott as a Director of the Company at the Annual General Meeting held on 27 November 2025. All material information relevant to the decision on whether or not to re-elect Mr Prescott, including information relating to his qualifications, experience, length of service and role within the Board, was provided to security holders via the Notice of Meeting and Annual Report prior to that meeting.
Recommendation 1.3 A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	YES	Each Director and senior executive of the Company is party to a written agreement with the Company which sets out the terms and conditions of that Director's or senior executive's appointment.
Recommendation 1.4 The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	YES	The Board Charter outlines the roles, responsibility and accountability of the Company Secretary. The Company Secretary is accountable directly to the Board, through the chair, on all matters to do with the proper functioning of the Board.

Recommendation 1.5 A listed entity should: (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: (i) the measurable objectives set for that period to achieve gender diversity; (ii) the entity's progress towards achieving those objectives; and (iii) either: (A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under the Act. If the entity was in the S&P/ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specific period.	NO	(a) The Company has adopted a Diversity Policy which is set out in the Company's Corporate Governance Plan, a copy of which is available on the Company's website. Given the current size of the Company, the Board has determined that the benefits of the initiatives recommended by the ASX Corporate Governance Council in this regard are disproportionate to the costs involved in the implementation of measurable objectives for achieving gender diversity. Accordingly, the Board has elected to adopt a tiered approach to the implementation of its Diversity Policy which is relative to the size of the Company and its workforce. The Company's policy provides: - Where the Company employs 100 or more employees, the Board undertakes to adopt practices in line with the Recommendations of the ASX Corporate Governance Council, including compliance with the requirement for the Company to set and report against measurable objectives for achieving gender diversity. The Company is not a relevant employer under the Workplace Gender Equality Act as it employs fewer than 100 persons. - Whilst the Company's workforce remains below this threshold, the Board will continue to drive the Company's diversity strategies on an informal basis and will apply the initiatives contained in its Diversity Policy to the extent that the Board considers relevant and necessary. (b) The Diversity Policy is disclosed in the Company's Corporate Governance Plan which is located on the Company's website: (i) As the Company did not employ 100 or more employees during the financial year, the Company did not establish a set of measurable gender diversity objectives. (ii) As at 30 June 2026, the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation are set out below. The Company defines senior executives as those employees whose direct report is to the Board. - 100% of the Company's board were male;

Recommendation 1.6 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	YES	(a) The Board is responsible for evaluating the performance of the Board and individual Directors on an annual basis. (b) During the 2026 financial year, the Company carried out a performance evaluation.
Recommendation 1.7 A listed entity should: (a) have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and (b) disclose for each reporting period, whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period. As a result, the duties that would ordinarily be assigned to the nomination committee under the Nomination Charter are carried out by the full board. A copy of the Nomination Policy is set out in the Company's Corporate Governance Plan which is available on the Company's website. (b) The Board devotes time at Board meetings to discuss Board succession issues, and all members of the Board are to be involved in the Company's nomination process, to the maximum extent permitted under the Corporations Act and ASX Listing Rules.

The composition of the Board is reviewed on at least an annual basis with reference to the Company's Board Skills Matrix which is used as a tool to assess the appropriate balance of skills, experience, independence and knowledge necessary for the Board to discharge its duties and responsibilities effectively. YES	(a) During the 2026 financial year, the independent directors of the Company were: - Mr David Prescott (appointed 20 March 2023); - Mr Warwick Sauer (appointed 20 March 2023); - Mr Jason Byrne (appointed 1 August 2023). (b) The Board has determined the independence of each of the Company's Directors in line with the guidance set out by the ASX's Corporate Governance Council.
