PODIUM SHARE PURCHASE PLAN
CLOSING DATE REMINDER

Perth, Australia: Podium Minerals Limited (ASX: **POD**) (**Podium** or the **Company**), reminds Eligible Shareholders that its underwritten share purchase plan (**SPP**) to raise approximately A$4,000,000 (before costs), at an issue price of A$0.034 per new share, is scheduled to close on **Friday, 28 August 2026 at 5:00pm (AWST)**.

Eligible Shareholders, being holders of fully paid ordinary shares in the Company (**Shares**) as at 5:00pm (AWST) on Wednesday, 12 August 2026 (**Record Date**), with a registered address in Australia or New Zealand, were sent correspondence on 14 August 2026 containing instructions on how to view and download a copy of the SPP Offer Booklet and access their personalised acceptance form via the share registry. Details of the SPP were set out in the Company's ASX announcement dated Thursday, 13 August 2026.

Eligible Shareholders who have not received the correspondence, and would like to participate in the SPP, should contact their stockbroker, accountant, solicitor or other professional advisor, or contact the Company's share registry, Automic, by telephone on 1300 288 664 (within Australia) or +61 2 9698 5414 (outside Australia), during the SPP offer period.

Applications and payment must be received by the share registry by 5:00pm (AWST) on Friday, 28 August 2026. The Company reserves the right to vary this timetable, including closing the SPP early, in accordance with the terms set out in the SPP Offer Booklet.

Eligible Shareholders who wish to participate in the SPP are encouraged to act promptly in submitting their applications. Podium reserves the right to close the SPP early, in its sole and absolute discretion, should it be considered necessary or desirable to do so, by making an announcement to the ASX.

About Podium Minerals

Podium Minerals Limited (ASX: **POD**) is focused on advancing its Parks Reef Platinum Group Metals (PGM) Project, a globally significant, long-life Australian resource with substantial exposure to platinum, palladium, rhodium and iridium, together with valuable copper, nickel and cobalt by-products.

Podium's strategy is focused on advancing Parks Reef from resource to a robust and credible supplier of PGMs to global markets. In a market increasingly focused on secure, responsible and diversified sources of critical minerals, Podium believes that Parks Reef is strategically positioned to become an important Australian source of PGMs for global customers.
