About SenSen Networks Limited

SenSen Networks Limited (ASX: SNS) is a leading Physical AI company. Its flagship platform, SenDISA® – The Physical AI Operating System for Government – transforms data from multiple sensing technologies into actionable intelligence, court-grade evidence and automated operational workflows. Designed as a sensor-agnostic platform, SenDISA integrates computer vision, ANPR, GPS, RFID, LiDAR, acoustic sensing and other contextual information to help governments understand, monitor and manage complex physical environments.

Today, SenDISA powers applications across parking management, curb side management, heavy vehicle compliance, road safety, environmental regulation and smart mobility for government agencies across the globe. The Company’s AI-driven technology also generates substantial annual savings for major fuel retail brands operating across Australia.
