Chief Financial Officer Appointment

The Board of Directors of Dubber Corporation Limited (ASX: DUB) ('Dubber' or 'the Company'), a leading global provider of voice capture and conversational AI solutions, is pleased to announce that Prasad Kasinadhuni has been appointed as Chief Financial Officer effective 28 August 2026.

Prasad Kasinadhuni commenced with Dubber Corporation Ltd on 01 July 2025 as Financial Controller and took over as Acting CFO since 06 November 2025. During this period, the Board has been very pleased with the performance of the finance team, which has operated with a leaner structure whilst improving the quality and integrity of financial reporting and processes.

The Company's FY26 Annual Report, released in August 2026, reflected this progress, with the external auditors issuing an unqualified audit opinion and noting the improved financial reporting and finance team's strong cooperation throughout the audit process.

Commenting on the appointment, Dubber CEO Matthew Bellizia said:

"Prasad has made a strong contribution to Dubber since joining as Financial Controller and has built on that as Acting CFO over the past several months. The Board has been impressed by the improvement in the rigour and integrity of our financial reporting under his leadership, culminating in an unqualified audit opinion for FY26. We are pleased to confirm his appointment as CFO and look forward to his continued contribution to Dubber's growth."

Mr Kasinadhuni said:

"I'm pleased to take on the CFO role at an important time for Dubber. Over the past year we've built a strong finance team I'm proud of, and I look forward to continuing to support the Company's growth and its commitment to strong financial governance."

This ASX release has been approved for release to ASX by the Board of Directors.
