

SHAREWISE INVESTOR WEBINAR

Critical Resources Limited ('Critical Resources' or the 'Company', **ASX:CRR**) is pleased to announce its participation in a Sharewise investor webinar on Monday, 31 August 2026. The webinar will feature Critical Resources' Managing Director, Tim Wither, who will be joined by data-centre cooling industry expert Eric Martinez Gurrea, Technical Adviser to the Company.

Critical Resources Limited is focused on the exploration and development of critical metals and advanced next-generation technologies essential for a sustainable future. The Company's portfolio includes the Mavis Lake Lithium Project in Ontario, Canada, the Halls Peak Base Metals Project in New South Wales, Australia, and a growing gold portfolio in New Zealand.

This webinar is a great opportunity for investors to learn more about the Company's exploration and technology programs and to ask any questions they may have. We look forward to your participation.
