¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

PENTANET

Corporate Governance Statement

Pentanet Limited

ACN 617 506 279

Version 7.0

Approved by the Board on 28 August 2026

Corporate Governance Statement

Pentanet Limited (ACN 617 506 279) (**Company**) and the Board of Directors of the Company (**Board**) are committed to achieving and maintaining high standards of performance and corporate governance.

The Company supports the 4th Edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Recommendations**).

The Company's practices are largely consistent with the Recommendations. The Board considers that the implementation of a small number of Recommendations is not appropriate, for the reasons set out below in relation to the items concerned. The Board uses its best endeavours to ensure that exceptions to the Recommendations do not have a negative impact on the Company and the best interests of shareholders as a whole.

The directors of the Company (**Directors**), being either Non-Executive Directors or Executive Directors, are responsible to the shareholders for the performance of the Company in both the short and the longer term and seek to balance sometimes competing objectives in the best interests of the Company as a whole. Their focus is to enhance the interests of shareholders and other key stakeholders and to ensure the Company is properly managed.

As required by the ASX Listing Rules, the Company's main corporate governance policies and practices are summarised below, having regard to the Recommendations. Details of the Company's Board Charter and Corporate Governance Plan and related documents are available online at www.pentanet.com.au/investor-centre under the "Governance" tab.

This corporate governance statement for the 30 June 2026 financial year (Current Year) is also current and was approved by the Board on 28 August 2026.

1. Principle 1: Lay solid foundations for management and oversight

1.1 Board of Directors and Senior Management – Roles and Responsibilities

Recommendation 1.1

A listed entity should have and disclose a board charter setting out:

- (a) the respective roles and responsibilities of its board and management; and
- (b) those matters expressly reserved to the board and those delegated to management.

The Board has adopted a formal charter that details the functions and responsibilities of the Board and management (**Board Charter and Corporate Governance Plan**).

As provided for in Part A of the Board Charter and Corporate Governance Plan, the Board is responsible for all matters relating to the running of the Company, and more specifically, all matters relating to the policies, practices, management and operations of the Company. In addition to decisions requiring approval pursuant to the respective Committee Charters, the following decisions must be approved by the Board:

- (a) Directors acquiring or selling shares of the Company;
- (b) issuing shares of the Company;
- (c) acquiring, selling or otherwise disposing of property in excess of the amount set out in the Company's approval matrix;
- (d) founding, acquiring or selling subsidiaries of or any company within the Company, participating in other companies, or dissolving or selling the Company's participation in other companies (including project joint ventures);
- (e) acquiring or selling patent rights, rights in registered trademarks, licences or other intellectual property rights of the Company;
- (f) founding, dissolving or relocating branch offices or other offices, plants and facilities;
- (g) starting new business activities, terminating existing business activities or initiating major changes to the field of the Company's business activities;
- (h) approving and/or altering the annual business plan (including financial planning) for the Company or any part of the Company;
- (i) taking or granting loans which exceed the amount set out in the Company's approval matrix;
- (j) granting securities of any type;
- (k) granting loans to Company officers or employees and taking over guarantees for the Company's officers and employees;
- (l) entering into agreements for recurring, voluntary or additional social benefits, superannuation agreements or agreements for general wage and salary increases;

- (m) determining the total amount of bonuses and gratuities for Company officers and employees;
- (n) determining the appointment, termination, prolongation of employment or amendment to conditions of employment of members of the Board; and
- (o) granting or revoking a power of attorney or limited authority to sign and/or act on behalf of the Company.

The detail of some board functions will be handled through Board Committees as and when the size and scale of operations requires such Committees. However, the Board as a whole is responsible for determining the extent of the powers residing in each Committee and is ultimately responsible for accepting, modifying or rejecting Committee recommendations.

The Managing Director (as a delegate of the Board) is responsible for the effective leadership and day-to-day operations and administration of the Company.

The responsibilities of the Board as a whole, the Chair, individual Directors and the functions delegated to Senior Management are set out in more detail in Part A of the Company's Board Charter and Corporate Governance Plan, which is available on the "Governance" page of the Company's website www.pentanet.com.au/investor-centre.

1.2 Board nominations

Recommendation 1.2

A listed entity should:

- (a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and
- (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.

The Board will consider nominations for appointment or election of Directors that may arise from time to time, having regard to the skills and experience required by the Company and procedures outlined in the Company's constitution and the *Corporations Act 2001* (Cth) (**Corporations Act**).

The Company undertakes appropriate checks before appointing a person, or putting forward to shareholders a candidate for election, as a Director. Candidates are assessed through interviews, meetings and background and reference checks (which may be conducted both by external consultants and by Directors) as appropriate.

The Company gives shareholders all material information in its possession relevant to the decision whether or not to elect or re-elect a Director, either in the notice of meeting and explanatory statement for the relevant meeting of shareholders which addresses the election or re-election of the Director, or by including in the notice a clear reference to the location on the Company's website, Annual Report or other document lodged with ASX where the information can be found.

1.3 Directors and Senior Executives - Terms of appointment

Recommendation 1.3

A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.

Under Part A clause 2.4 of the Board Charter and Corporate Governance Plan, the Company must have a written agreement with each Director and senior executive setting out the terms of their appointment.

The Executive Director/Managing Director has signed an executive service agreement setting out their duties, obligations and remuneration.

As set out in Part A clause 5 of the Board Charter and Corporate Governance Plan, the Company Secretary is accountable to the Board, through the Chair, on all governance matters and reports directly to the Chair as the representative of the Board. The Company Secretary has primary responsibility for ensuring that the Board processes and procedures run efficiently and effectively. The Company Secretary is Patrick Holywell (appointed on 20 November 2019), whose qualifications and experience are stated in the Company's Current Year Annual Report.

1.5 Diversity

Recommendation 1.5

A listed entity should:

- (a) have and disclose a diversity policy;
- (b) through its board or a committee of the board, set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and
 - (i) disclose in relation to each reporting period:
 - (ii) the measurable objectives set for that period to achieve gender diversity;
 - (iii) the entity's progress towards achieving those objectives; and
 - (iv) either:

- (A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or
- (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under the Act.

The Company's workforce is made up of individuals with diverse skills, backgrounds, perspectives and experiences, and this diversity is recognised, valued and respected. To enumerate its commitment to diversity in its workforce, including but not limited to gender diversity, the Company has established a Diversity Policy, a copy of which is available on the "Governance" page of the Company's website, www.pentanet.com.au/investor-centre. The Company is committed to developing a workplace that promotes diversity through acting in fairness and without prejudice. The Company's policy is to recruit and manage on the basis of competence and performance regardless of age, nationality, race, gender, religious beliefs, sexuality, physical ability or cultural background.

The Board periodically considers whether measurable diversity objectives remain appropriate given current size, workforce and governance structure. The Board is also tasked with responsibility for the Diversity Policy, including the responsibility to regularly review and monitor the effectiveness of the policy.

The overriding objective of the Diversity Policy is to align the Company's business operations with the positive outcomes that can be achieved through a diverse workforce that recognises and utilises the contribution of its diverse skills and talent. The Diversity Policy also seeks to ensure that the Company has a properly functioning workplace where discrimination, harassment and victimisation are not tolerated.

Due to the current size and composition of the organisation, the Board does not consider it appropriate to provide measurable objectives in relation to gender diversity. The Company is committed to ensuring that the appropriate mix of skills, expertise, and diversity are considered when employing staff at all levels of the organisation and when making new senior executive and Board appointments and is satisfied that the composition of employees, senior executives and members of the Board is appropriate.

For the Current Year, the Company has nil female board members and one female senior executive (Chief Financial Officer). Across the whole Company, there are 53 staff (which includes directors and executive management) and that number includes 13 females and 1 non-binary team member.

1.6 Board performance review and evaluation

Recommendation 1.6

A listed entity should:

- (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and
- (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.

The Company's Board Charter and Corporate Governance Plan and the Performance

Evaluation Policy detail the process for evaluating the Board, its committees, and individual Directors, which includes an annual review of the ongoing development and improvement of the Board's (and individual Director) performance by the Board or if established, the Remuneration and Nomination Committee (**REM Committee**). The Performance Evaluation Policy is available on the "Governance" page of the Company's website, www.pentanet.com.au/investor-centre.

Performance evaluations with respect to the Board and the individual Directors will typically be undertaken in accordance with the Performance Evaluation Policy and in consultation with external remuneration consultants where appropriate.

The Board sets a number of expectations for its committees after considering the results of previous reviews, an assessment of the Company's current and future needs, and a review of each committee's charter or purpose. As a result of a review, the Board may amend or revoke a committee's charter.

The Board will review the performance of the committees, and itself, against expectations. Based upon the review, individuals and groups will be provided with feedback on their performance. The results of the review will be a key input into the expectations set by the Board.

During the Current Year, a review of the Board and Committee was not undertaken however a review is planned shortly towards the end of calendar year 2026.

1.7 Senior executive performance review and evaluation

Recommendation 1.7

A listed entity should:

- (a) have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and
- (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.

All senior executives are subject to an annual performance evaluation which is typically assisted by external remuneration consultants where appropriate. Each year, senior executives (including the Managing Director) will establish a set of performance targets. These targets are aligned to overall business goals and the Company's requirements of the position. In the case of the Managing Director, these targets are negotiated between the Managing Director and the Board and approved by the whole Board.

An assessment of progress is carried out throughout the year. A full evaluation of an executive's performance against the agreed targets takes place annually. This will normally occur in conjunction with strategy reviews and goal setting for the coming year. As the Company is committed to continuous improvement and the development of its people, the results of the evaluation form the basis of the executive's development plan. Performance pay components of executives' packages are also dependent on the outcome of the evaluation.

The Board completed a number of formal and informal reviews of the senior executives during the Current Year.

2. Principle 2: Structure the Board to be effective and add value

2.1 Nomination committee

Recommendation 2.1

The board of a listed entity should:

- (a) have a nomination committee which:

 - (ii) the members of the committee;
 - (iii) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or

The Board has established a Remuneration and Nomination committee comprised of David Buckingham (Chair), Dalton Gooding, and Dominic O'Hanlon.

The duties of the nomination committee are set out in the Company's Remuneration and Nomination Committee Charter. When the remuneration and nomination committee exists, it carries out those functions which are delegated to it in the Company's Remuneration and Nomination Committee Charter.

The Board has adopted a Remuneration and Nomination Committee Charter which describes the role, composition, functions and responsibilities of a Nomination Committee.

The Board as a whole reviews the size, structure and composition of the Board including competencies and diversity, in addition to reviewing Board succession plans and continuing development.

2.2 Skills, knowledge and experience

Recommendation 2.2

A listed entity should have and disclose a board skills matrix setting out the mix of skills that the board currently has or is looking to achieve in its membership.

The Company's objective is to have an appropriate mix of expertise and experience on its Board so that it can effectively discharge its corporate governance and oversight responsibilities. It is the Board's view that the current directors possess an appropriate mix of relevant skills, experience, expertise and diversity to enable the Board to discharge its responsibilities and deliver the Company's strategic objectives. This mix is subject to review on a regular basis as part of the Board's performance review process.

For the Current Year, the following key skills are considered necessary and available across the current Board composition:

Timothy Cornish	Non-Executive Director & previously Executive Director	No	20 February 2017	9.4

Dominic O'Hanlon, David Buckingham and Dalton Gooding are all considered to be independent directors.

Stephen Cornish is not considered independent on the basis that he holds the role of Managing Director and because he is a substantial shareholder of the Company.

Timothy Cornish is not considered independent on the basis that he was recently employed in an executive capacity and because he is a substantial shareholder of the Company.

Despite this, the Board believes that Stephen Cornish and Timothy Cornish are able, and do make, quality and independent judgments in the best interests of the Company on all relevant issues before the Board.

The Board assesses the independence of Directors on an ongoing basis.

2.6 Induction and professional development

Recommendation 2.6

A listed entity should have a program for inducing new directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as directors effectively.

The Company also encourages all Directors and the Managing Director/CEO to commit to at least 2 days of professional development each year and allocates an annual budget to training and development programs. The Company has established a Code of Conduct that sets out the principles covering appropriate conduct in a variety of contexts and outlines the minimum standards of

behaviour expected from its Directors and employees. The Code of Conduct sets out policies in relation to various corporate and personal behaviour including safety, discrimination, respecting the law, anti-corruption, interpersonal conduct and conflict of interest.

While the Code of Conduct seeks to prescribe standards of behaviour for all Company personnel to observe, it does not, and understandably cannot, identify every ethical issue that an individual might face. The Code of Conduct's objective is to provide a framework for decisions and actions in relation to ethical conduct in employment, to safeguard the Company's reputation and to make clear the consequences of breaching the Code of Conduct.

A copy of the Company's Code of Conduct is available on the "Governance" page of the Company's website, www.pentanet.com.au/investor-centre.

3.3 Whistleblower policy

Recommendation 3.3

A listed entity should:

- (a) have and disclose a whistleblower policy; and
- (b) ensure that the board or a committee of the board is informed of any material incidents reported under that policy.

The Board has adopted a whistleblower protection policy to ensure concerns regarding unacceptable conduct including breaches of the Company's code of conduct can be raised on a confidential basis, without fear of reprisal, dismissal or discriminatory treatment. The purpose of this policy is to promote responsible whistle blowing about issues where the interests of others, including the public, or of the organisation itself are at risk.

A copy of the Company's whistleblower policy is available on the "Governance" page of the Company's website, www.pentanet.com.au/investor-centre.

A copy of the Company's anti-bribery and corruption policy is available on the "Governance" page of the Company's website, www.pentanet.com.au/investor-centre.

Information on the Company's procedures for the selection and appointment of the external auditor and the rotation of external audit partners is set out in the Policy on Selection, Appointment and Rotation of External Auditors, which is available on the Company's website, www.pentanet.com.au/investor-centre under the "Governance" page.

A listed entity should have and disclose a written policy for complying with its continuous disclosure obligations under ASX Listing Rule 3.1.

The Company has established a Continuous Disclosure Policy which is designed to guide compliance with ASX Listing Rule disclosure requirements, and to ensure that all Directors, senior executives and employees of the Company understand their responsibilities under the policy. The Continuous Disclosure Policy is available on the "Governance" page of the Company's website, www.pentanet.com.au/investor-centre.

The Continuous Disclosure Policy:

- (a) raises awareness of the Company's obligations under the continuous disclosure regime;

- (c) sets out the obligation of Directors, officers and employees of the Company to ensure that the Company complies with its continuous disclosure obligations.

The Board has designated the Continuous Disclosure Committee (comprising the Company Secretary, Managing Director or CEO, and the Chair of the Board (or if unavailable, the Chair of the Audit and Risk Committee (if any))) as the persons primarily responsible for ensuring that the Continuous Disclosure Policy is implemented and that all relevant information is disclosed as required.

Shareholders who are unable to attend meetings may ask questions or provide comments ahead of meetings.

The Company conducts periodic investor briefings and attends regional and industry specific conferences (where applicable) to facilitate effective two-way communication with investors and other financial market participants. 7. Principle 7: Recognise and manage risk

7.1 Risk committee

Recommendation 7.1

The board of a listed entity should:

- (a) have a committee or committees to oversee risk, each of which:
 - (i) has at least three members, a majority of whom are independent directors; and
 - (ii) is chaired by an independent director,
- and disclose:
 - (iii) the charter of the committee;
 - (iv) the members of the committee; and
 - (v) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or

The Company also undertakes an annual review of operations to update its risk profile, which normally occurs in conjunction with the strategic planning process. This annual review occurred during the Current Year. The Board also undertakes a quarterly review of the risk areas identified in the Risk Management Policy.

7.3 Internal audit

- (b) if it does not have an internal audit function, that fact and the processes it employs for evaluating and continually improving the effectiveness of its governance, risk management and internal control processes.

The Company does not have an independent internal audit function. Due to the nature and size of the Company's operations, and the Company's ability to derive substantially all of the benefits of an independent internal audit function in the manner disclosed below, the expense of an independent internal auditor is not considered to be appropriate.

The Board performs all key elements of an internal audit function, including:

- (a) evaluating and seeking and obtaining reasonable assurance that risk management, control and governance systems are functioning as intended and will enable the Company's objectives and goals to be met;
- (b) evaluating information security and associated risk exposures;

The Company identifies and manages potentially material exposures to environmental and social risks in a manner consistent with its Risk Management Policy, which is available on the "Governance" page of the Company's website, www.pentanet.com.au/investor-centre. The Company has, and continues to, undertake various organisation wide risk reviews to identify potential business risks. The effectiveness of the controls in place to address each risk is reviewed on a regular basis and, where the residual risk is considered outside of acceptable limits, further controls and risk mitigation measures are developed and implemented.

Environmental: The Company is subject to, and responsible for, ensuring compliance with various regulations, licenses, approvals and standards so that its activities do not cause unauthorised environmental harm. Through its ongoing management of environmental activities, the Company has been able to operate in an environmentally sustainable and responsible manner.

Social: The Company recognises that a failure to manage stakeholder expectations may lead to disruption to the Company's operations. The Company is proud to be involved in and supportive of community groups, organisations and charities in the region in which it operates.

8. Principle 8: Remunerate fairly and responsibly

8.1 Remuneration committee

Recommendation 8.1

- (b) if it does not have a remuneration committee, disclose that fact and the processes it employs for setting the level and composition of remuneration for directors and senior executives and ensuring that such remuneration is appropriate and not excessive.

The Board has established a Remuneration and Nomination committee comprised of David Buckingham (Chair), Dalton Gooding and Dominic O'Hanlon. It has responsibilities typically assumed by a remuneration committee, including but not limited to:

The Remuneration and Nomination committee has continued to engage independent remuneration consultants where appropriate who undertake an external review, including independent benchmarking of remuneration for key members when appropriate. The remuneration consultants provide recommendations on short-term and long-term incentive plan design and assist with structuring the remuneration framework in order to ensure the Company is able to attract, retain and motivate the right calibre of executives to the business.

8.2 Remuneration policy

Recommendation 8.2

A listed entity should separately disclose its policies and practices regarding the remuneration of non-executive directors and the remuneration of executive directors and other senior executives.

The Board Charter and Corporate Governance Plan sets out the policies and practices of the remuneration of Non-Executive Directors, Executive Directors and other senior executives.
