¹ “Corporate governance statement” is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes “OR” at the end of the selection and you delete the other options, you can also, if you wish, delete the “OR” at the end of the selection.

2026 Corporate Governance Statement

The Board and management of Clean TeQ Water Limited (**Clean TeQ Water** or **Company**) recognise their duties and obligations to shareholders and other stakeholders to implement and maintain a proper system of corporate governance. Clean TeQ Water believes that good corporate governance helps ensure the future sustainability of the Company, adds value to stakeholders and enhances investor confidence.

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the recommendations of the ASX Corporate Governance Council (**Recommendations**) in the reporting period. The Recommendations are guidelines designed to improve the efficiency, quality, and integrity of the Company. They are not prescriptive, so that if a company considers a recommendation to be inappropriate having regard to its own circumstances, it has the flexibility not to follow it. Where a company has not followed all the Recommendations, it must identify which Recommendations have not been followed and give reasons for not following them.

This Corporate Governance Statement (**Statement**) sets out a description of the Company's main corporate practices and provides details of the Company's compliance with the Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation.

This Statement is current as at 31 August 2026 and has been approved by the Board of Directors of Clean TeQ Water Limited.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

RECOMMENDATION 1.1 - ROLE OF THE BOARD AND MANAGEMENT

The role of the Board is to approve the strategic direction of the Company, guide and monitor the management of the Company and its businesses and oversee the implementation of appropriate corporate governance with respect to the Company's affairs. The Board aims to protect and enhance the interests of its shareholders, while considering the interests of other stakeholders, including employees and the wider community.

The Board has a formal Board Charter which is available on the Company's website at <https://www.cleantegwater.com/company/corporate-governance/>. The Board Charter clearly sets out those matters expressly reserved for the Board's determination and those matters delegated to management. The Board acts in the best interests of the Company as a whole and its responsibilities are also set out in the Board Charter.

The Board has delegated to the Chief Executive Officer ("CEO") the responsibility for the day-to-day management of the Company, including the overall operational and business management and profit performance of Clean TeQ Water, whilst also managing the Company in accordance with the strategy, plans and policies approved by the Board to achieve agreed goals. The scope of, and limitations to these delegations are clearly documented and balance oversight with appropriate empowerment and accountability of senior executives. The CEO has authority to sub-delegate to the executive team some of his responsibilities where he deems fit.

The high-level structure chart outlined below provides an overview of the Company's current corporate governance structure.

RECOMMENDATION 1.2 - APPOINTMENT OF DIRECTORS

The Company has guidelines for the appointment and selection of the Board which require the Board to undertake appropriate checks before appointing a person or putting forward to security holders a candidate for election as a director.

All selected candidates for Board positions undergo appropriate background checks before being appointed to the Board. Any Director appointed during the year to fill a casual vacancy or as an addition to the existing Directors must stand for election at the next Annual General Meeting ("AGM").

A regular assessment is made of the current qualifications, skills, and experience of the directors, as well as the skills, experience and expertise needed to deal with current and emerging issues of the business and to effectively review and challenge the performance of management and exercise independent judgement.

Board support for Directors retiring and seeking re-election is not automatic and is reviewed against criteria based on the Board's current skills and qualities and the current and future needs of the Company. The Company provides its shareholders with all material information relevant to the election or re-election a candidate, including a statement by the Board as to whether it supports the election or re-election of the candidate. This information is provided to security holders through several channels, including via the Notice of AGM.

RECOMMENDATION 1.3 - APPOINTMENT TERMS

Each Director and Senior Executive are party to a written agreement with the Company which sets out the terms of that Director's or Senior Executive's appointment, including the remuneration entitlement and performance requirements. Directors also receive a Deed of Indemnity, Insurance, and Access.

Details of executive contracts in place are detailed in the Company's Remuneration Report in the 2026 Annual Report.

RECOMMENDATION 1.4 - COMPANY SECRETARY

The Company Secretary is accountable directly to the Board, though the Chair, on all matters to do with the proper functioning of the Board. The Company Secretary's role includes advising the Board and its Committees on governance matters, monitoring that Board and Committee policies and procedures are followed, coordinating the timely completion and despatch of Board and Committee papers, ensuring that the business at Board and Committee meetings is accurately captured in the minutes, and helping to organise and facilitate the induction and professional development of directors.

All Directors have unfettered access to the Company Secretary and the appointment and removal of the Company Secretary must be made or approved by the Board.

The performance of the CEO was evaluated in August 2026 by the Nomination & Remuneration Committee.

PRINCIPLE 2: STRUCTURE THE BOARD TO ADD VALUE

RECOMMENDATION 2.1 – NOMINATION COMMITTEE

RECOMMENDATION 2.3 – INDEPENDENT DIRECTORS

An independent director is a Non-Executive Director who is not a member of management and free from any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of judgement.

The Board regularly assesses the independence of each Non-Executive Director in light of the information which each Director is required to disclose in relation to any material contract or other relationship with the Company in accordance with the Director's terms of appointment, the *Corporations Act 2001 (Cth)* (**Corporations Act**), and the Board Charter.

In assessing independence, the Board had regard to the "Factors relevant to assessing the independence of a director" in Box 2.3 of the Recommendations. Having individually reviewed the position and associations of each of the Non-Executive Directors, the Board has concluded that three of them are currently independent. The Board's assessment of each current Director is set out below.

Name	Position	Appointment Date	Status	Reason for Non-Independence
Peter Voigt	Executive Director / CEO	15 February 2021 30 August 2024 (interim CEO from 1 May 2023)	Non-Independent	<i>Executive Officer</i>
Sam Riggall	Non-Exec Director	15 February 2021	Independent	<i>Not applicable</i>
Ian Knight	Non-Exec Director / Board Chair	28 April 2021 30 August 2024 (interim Board Chair from 1 May 2023)	Independent	<i>Not applicable</i>
Robyn McLeod	Non-Exec Director	8 October 2021	Independent	<i>Not applicable</i>
Daniel Pfeffer	Non-Exec Director	16 July 2025	Non-Independent	<i>Significant link with a substantial shareholder</i>

Ms Robyn McLeod and Mr Ian Knight are free from any business or any other relationship that could materially interfere with, or reasonably be perceived to interfere with, the exercise of their unfettered and independent judgement and are able to fulfil their role of independent Director for the purpose of the Recommendations.

Mr Riggall is the Chief Executive Officer of Sunrise Energy Metals Limited. The Company entered into an engineering contract with Sunrise Energy Metals Limited as announced on 27 January 2026. The contract was negotiated on commercial terms and the value of the contract is not deemed as a material contract

for the Company. The Board is of the opinion that Mr Riggall is an Independent Director and was able to exercise independent judgement and able to fulfil the role of independent Director for the purposes of the ASX Recommendations. The Board will continue to assess this position on a regular basis.

Mr Daniel Pfeffer is deemed to be non-independent by virtue of having significant links with Mr Robert Friedland, a substantial shareholder of the Company. Whilst noting the conflict, the Company also recognises the benefits associated with having interests of significant shareholders and their associates aligned with Board decision-making.

RECOMMENDATION 2.4 – MAJORITY INDEPENDENCE

The Board comprises of a majority of independent Directors, Mr Ian Knight, Mr Sam Riggall, and Ms Robyn McLeod. As set out in the Recommendations, the Board acknowledges that having a majority of independent Directors makes it harder for any individual or small group of individuals to dominate the Board's decision-making and maximises the likelihood that the decisions of the Board will reflect the best interests of the Company and its security holders generally and not be biased towards the interests of management or any other person or group with whom a non-independent Director may be associated.

RECOMMENDATION 2.5 – INDEPENDENT CHAIR

The roles of Chair and CEO were exercised by different individuals, being Mr Ian Knight and Mr Peter Voigt respectively.

The Chair provides leadership to the Board in relation to all Board matters and is responsible for ensuring that the Board meets its responsibilities under the Board Charter. His role is set out in more detail in the Board Charter, which is available on the Company's website (<https://www.cleanteqwater.com/company/corporate-governance/>).

RECOMMENDATION 2.6 – INDUCTION, EDUCATION AND TRAINING

New Directors are provided with copies of all relevant documents and policies governing the Company's business, operations, and management, at the time of joining the Board. The Company can provide appropriate professional development opportunities for Directors to assist in their roles. Directors are also encouraged to personally undertake appropriate training and refresher courses conducted by the Australian Institute of Company Directors.

PRINCIPLE 3: ACT ETHICALLY AND RESPONSIBLY

The CEO and his executive team are responsible for instilling these values across the organisation.

RECOMMENDATION 3.2 – CODE OF CONDUCT

The Board recognises the need to observe the highest standards of corporate practice and business conduct. The Company has adopted a Code of Conduct designed to:

- provide a framework for decisions and actions in relation to ethical conduct in employment;
- support the Company's business reputation and corporate image; and
- make Directors, officers, employees, consultants, and contractors of the Company aware of the consequences if they breach the Code of Conduct.

The Code of Conduct is available on the Company's website:

<https://www.cleanteqwater.com/company/corporate-governance/>

The key aspects of this code are to:

- act fairly with honesty and integrity in the best interests of the Company and in the reasonable expectations of shareholders;
- act in accordance with all applicable laws, regulations, and the Company policies and procedures;
- have responsibility and accountability for individuals for reporting and investigating reports of unethical practices; and
- use the Company's resources and property properly.

The Code of Conduct sets out the Company's policies on various matters including ethical conduct, business conduct, compliance, privacy, and security of information.

RECOMMENDATION 3.3 – WHISTLEBLOWER POLICY

The Whistleblower Policy demonstrates that the Company is committed to the highest standards of conduct and ethical behaviour in all its business activities. The Company supports a culture of honest and ethical behaviour in ensuring good corporate compliance and governance. The Whistleblower Policy sets out, amongst other things, instances of suspected misconduct which can be reported to the internal and external parties and summarises the protections offered to whistleblowers.

Any material breach of the Company's policies, including any breach of the Whistleblower Policy, is raised at Board level.

The Whistleblower Policy is available on the Company's website:

<https://www.cleanteqwater.com/company/corporate-governance/>

RECOMMENDATION 3.4 – ANTI-BRIBERY AND CORRUPTION POLICY

The Anti-Bribery and Corruption Policy demonstrates that the Company is committed to maintain high standards of integrity and accountability in conducting its business. The policy provides a framework of guidelines and principles to encourage ethical behaviour in the conduct of business.

The Anti-Bribery and Corruption Policy is available on the Company's website:

<https://www.cleanteqwater.com/company/corporate-governance/>

PRINCIPLE 4: SAFEGUARD INTEGRITY IN CORPORATE REPORTING

RECOMMENDATION 4.1 – AUDIT COMMITTEE

The Company's Audit & Risk Committee Charter provides for the establishment of an Audit & Risk Committee, with at least three members, a majority of whom are independent Directors, and which must be chaired by an independent Director who is not the Board Chair. The Audit & Risk Committee Charter is available on the Company's website (<https://www.cleanteqwater.com/company/corporate-governance/>).

The Audit & Risk Committee consists of three members, with a majority being independent Non-Executive Directors, Mr Ian Knight, and Ms Robyn McLeod, while Mr Daniel Pfeffer is a non-independent Non-Executive Director.

The Board acknowledges that the appointment of Mr Knight as Board Chair whilst still being the chair of the Audit & Risk Committee is a deviation from Recommendation 4.1. Due to the size of the Company and that of the Board, the Board believes that this decision is appropriate and in the best interest of the Company and its stakeholders.

All Directors have relevant experience as shown in their biographies in the Directors' Report.

Details of meetings held by the Audit & Risk Committee during the year and member attendances are set out in the 2026 Directors' Report.

In accordance with the Company's Audit & Risk Committee Charter the primary function of the Audit & Risk Committee is to assist the Board to carry out the following:

- review and monitor the integrity of the Company's financial reports and statements;
- maintain and improve the quality, credibility and objectivity of the financial accountability process (including financial reporting on a consolidated basis);
- promote a culture of compliance and ensure effective compliance systems and supporting policies and procedures;
- ensure effective communication between the Board and the senior compliance manager; and
- ensure effective internal and external audit functions and communication between the Board and external and (if applicable) internal auditors.

It also has risk management and internal control functions as set out under Recommendation 7.1.

RECOMMENDATION 4.2 - ASSURANCES

The CEO and Chief Financial Officer ("CFO") provide an annual declaration to the Board prior to the Board's approval of the Company's full year financial results. This process was followed for the 2026 full year financial results, where the CEO and CFO provided a declaration to the Board that, in their opinion, the financial records have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the Group, and their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively. On this basis, the 2026 full year financial results were approved by the Board.

RECOMMENDATION 4.3 – VERIFICATION OF INTEGRITY OF PERIODIC CORPORATE REPORTS

The Company's external auditor attends every AGM as required by the Corporations Act, and members are allowed a reasonable opportunity at the meeting to ask the auditor questions relevant to the audit, their report and independence, and the accounting policies adopted by the Company. The external auditor's independence declaration is contained in the Directors' Report in the 2026 Annual Report.

Any periodic corporate report the Company releases to the market that is not audited or reviewed by an external auditor is reviewed and approved by the Board so that it is satisfied the report in question is materially correct, balanced and provides investors with appropriate information to make an informed investment decision. Following review by the Board of Directors the report is formally approved prior to release.

PRINCIPLE 5: MAKE TIMELY AND BALANCED DISCLOSURE

RECOMMENDATION 5.1 – CONTINUOUS DISCLOSURE POLICY

The Company is committed to providing information to shareholders and to the market in a manner that is consistent with the meaning and intention of the ASX Listing Rules and the Corporations Act. To comply with these obligations, the Company has in place a Continuous Disclosure Policy and it is available on the Company's website (<https://www.cleanteqwater.com/company/corporate-governance/>).

The Continuous Disclosure Policy sets out the key obligations of Directors and employees in relation to continuous disclosure as well as the Company's obligations under the ASX Listing Rules and the Corporations Act. The policy also provides procedures for internal notification and external disclosure, as well as procedures for promoting understanding of compliance with the disclosure requirements.

The Company's Shareholder Communication Policy is available on its website:

<https://www.cleanteqwater.com/company/corporate-governance/>

Shareholders are actively encouraged to take advantage of the benefits of electronic communications. Shareholders and investors can raise any issues or concerns at any time by contacting the Company by visiting <https://www.cleanteqwater.com/contact/general-enquiry/> or by writing to the CEO or Company Secretary at Unit 1, 40 Ricketts Road, Mount Waverley, VIC 3149. Where possible, bearing in mind the Company's obligations under the Corporations Act, the ASX Listing Rules and the Continuous Disclosure Policy, responses will be provided.

RECOMMENDATION 6.3 – SHAREHOLDER MEETING PARTICIPATION

Shareholders will be sent the Company's Annual Report, if requested (it is otherwise made available on the Clean TeQ Water website (<https://www.cleanteqwater.com/investors/asx-announcements/>)), and documents relating to each general meeting, being the notice of meeting, any explanatory memorandum and a proxy form, and shareholders are invited to attend these meetings. Shareholders may elect to receive communications electronically.

The Board regards the AGM as an important opportunity to communicate with shareholders and it provides a key forum for shareholders to ask questions about the Company, its strategy and performance. At shareholder meetings, the Company will provide an opportunity for shareholders and other stakeholders to hear from and put questions to the Board, and management, and where applicable, from the external auditor of the Company.

RECOMMENDATION 6.4 – ALL SUBSTANTIVE RESOLUTIONS AT A SECURITY HOLDER MEETING ARE DECIDED BY POLL

To ascertain the true will of Clean TeQ Water's security holders attending and voting at its security holder meetings, whether they attend in person, virtually or by proxy or other representative, the Company will conduct the voting procedure by a poll.

RECOMMENDATION 6.5 – ELECTRONIC COMMUNICATION WITH SHAREHOLDERS

Shareholders are actively encouraged to take advantage of the benefits of electing to receive communication from the Company and its share registry electronically.

PRINCIPLE 7: RECOGNISE AND MANAGE RISK

RECOMMENDATION 7.1 – RISK COMMITTEE

The Company's Audit & Risk Committee Charter provides for the establishment of an Audit & Risk Committee, with at least three members, a majority of whom are independent Directors, and which must be chaired by an independent Director who is not the Board Chair. The Audit & Risk Committee consists of three members, with a majority being independent Non-Executive Directors, Mr Ian Knight, and Ms Robyn McLeod, while Mr Daniel Pfeffer is a non-independent Non-Executive Director.

The Board has adopted a Risk Management Policy which sets out the Company's system of risk oversight, management of material business risks and internal control. The Risk Management Policy is available on the Company's website (<https://www.cleanteqwater.com/company/corporate-governance/>). The Company's risk management framework is reviewed on a periodic basis, and a review was undertaken during FY26.

RECOMMENDATION 7.3 – INTERNAL AUDIT

The Board acknowledges that an internal audit function provides independent and objective assurance on the adequacy and effectiveness of the Company's systems for risk management, internal controls, and governance, along with recommendations to improve the efficiency and effectiveness of these systems and processes. However, in light of cost-benefit considerations, the size and scope of the Company's operations, the Board does not consider it necessary to have an internal audit function and will continue to monitor whether the Company requires an internal audit function.

The Audit & Risk Committee oversees relevant financial and non-financial risks. During FY26, the Company has employed the following process for evaluating and continually improving the effectiveness of its risk management and internal control processes:

- the Audit & Risk Committee monitors the need for an internal audit function having regard to the size, location and complexity of the Company's operations;
- the Audit & Risk Committee periodically undertakes an internal review of financial systems and processes, and where systems are considered to require improvement these are developed; and
- the Audit & Risk Committee periodically reviews risk management and internal compliance procedures and will monitor the quality of the accounting function.

RECOMMENDATION 7.4 – ECONOMIC, ENVIRONMENTAL AND SOCIAL RISKS

The Company is not subject to any particular or significant single economic, environmental or social risk. The Company is subject to a range of general economic risks, including macro-economic risks, government policy, general business conditions and many other factors.

The Board does not consider the Company to have any material exposure to economic, environmental, and social risks. The Company's key risks are disclosed in the Company's 2026 Annual Report.
