

ASX ANNOUNCEMENT

31 August 2026

Norwood extends repayment of working capital funding of \$180k

Norwood Systems Ltd (Norwood or the Company) (ASX: NOR) wishes to advise that it has entered into a deed of variation agreement, under its working capital facility as originally announced on 26 February 2026 and subsequently varied on 23 April 2026 increasing the loan amount from \$200,000 to \$280,000 and further varied on 29 June 2026 when Norwood repaid \$108,264 to the Lender represented by a \$100,000 loan repayment and \$8,264 in interest, leaving a loan balance outstanding of \$180,000 and extended until 31 August 2026.

The loan is with Plough Lane Superannuation Pty Ltd, a company that ex-director and substantial shareholder, Dr John Tarrant controls.

The varied terms of the agreement extend the repayment of the loan from 31 August 2026 to 30 September 2026; the interest rate remains the same at 9.75% and will be payable on the repayment date. If the loan is not repaid by the repayment date, then there will be a default of an additional interest rate of 3% above the 9.75% until such time as the loan and all outstanding monies have been repaid. The loan is un-secured and an extension fee equivalent to 2% of the loan amount plus GST will be payable within 2 days of the drawdown. The Company has agreed to issue a total of 500,000 unquoted options exercisable at 2 cents expiring 30 June 2028 as part of the facility fee. If the Options to be issued are not issued by 31 December 2026, then the Borrower must pay the Lender the market value of the Options as at 31 December 2026 plus GST as a borrowing fee.

Paul Ostergaard, Managing Director and CEO of Norwood Systems commented

"We are grateful to Dr John Tarrant for agreeing to extend the maturity of this loan. His continued support provides the Company with additional flexibility while we pursue a number of commercial opportunities and execute our growth strategy. On behalf of the Board, I would like to thank John for his ongoing commitment and confidence in Norwood"
