Orion to present at Africa Down Under and Resources Rising Stars Conferences

Orion Minerals Limited (ASX/JSE: ORN) (Orion or Company) is pleased to advise that our Managing Director and CEO, Mr Anthony Lennox, will be presenting at the Africa Down Under Conference in Perth, Western Australia and at the Resources Rising Stars Gold Coast Investor Conference.

Conference details:

	Africa Down Under Conference
Resources Rising Stars Investor Conference	
Date	Wednesday 2 - Friday 4 September 2026
Wednesday 9 - Thursday 10	September 2026
Conference Location	Pan Pacific Hotel
RACV Royal Pines Resort	207 Adelaide Terrace
Ross Street	
	Perth WA 6000
Benowa Qld 4217	
Presentation Detail	Wednesday 2 September 2026 - 2:25pm AWST
Thursday 10 September 2026	- 3:45pm AEST
Booth #	30
40	

The Resources Rising Stars Investor Conference will be live-streamed and investors can attend either in-person or virtually via the Conference Livestream. There is no charge to attend either the live-stream or in-person event for investors, however registration is essential.

Resources Rising Stars Investor Conference registration details (in-person or online): www.rrsinvestor.com.

The presentation to be delivered by Mr Lennox at the conferences will be available on Orion's website www.orionminerals.com.au.

In addition to the Investor Presentation, a video providing an overview of Orion's transition from explorer to producer,

including its Northern Cape footprint and the Prieska Copper Zinc Mine, is available via the following link:

Disclaimer

This release may include forward-looking statements. Such forward-looking statements may include, among other things, statements regarding targets, estimates and assumptions in respect of metal production and prices, operating costs and results, capital expenditures, mineral reserves and mineral resources and anticipated grades and recovery rates, and are or may be based on assumptions and estimates related to future technical, economic, market, political, social and other conditions. These forward-looking statements are based on management's expectations and beliefs concerning future events. Forward-looking statements inherently involve subjective judgement and analysis and are necessarily subject to risks, uncertainties and other factors, many of which are outside the control of Orion. Actual results and developments may vary materially from those expressed in this release. Given these uncertainties, readers are cautioned not to place undue reliance on such forward-looking statements. Orion makes no undertaking to subsequently update or revise the forward-looking statements made in this release to reflect events or circumstances after the date of this release. All information in respect of Exploration Results and other technical information should be read in conjunction with Competent Person Statements in this release (where applicable). To the maximum extent permitted by law, Orion and any of its related bodies corporate and affiliates and their officers, employees, agents, associates and advisers:

- disclaim any obligations or undertaking to release any updates or revisions to the information to reflect any change in expectations or assumptions;
- do not make any representation or warranty, express or implied, as to the accuracy, reliability or completeness of the information in this release, or likelihood of fulfilment of any forward-looking statement or any event or results expressed or implied in any forward-looking statement; and
- disclaim all responsibility and liability for these forward-looking statements (including, without limitation, liability for negligence).
