ABOUT BORESIGHT LTD (ASX:BST)

Boresight delivers an integrated aerial target drone ecosystem that enables realistic counter-UAS training and testing for government and industry. The company's systems combine attritable aerial target drones, mission planning software and scalable ground control systems to support threat emulation and operational readiness.

Boresight's platform range includes quadrotor and fixed-wing aerial target drones designed to replicate evolving drone threats and enable repeatable testing and training scenarios without risking high-value ISR assets.

With teams in Australia, the United States and Europe, Boresight supports customers globally with scalable C-UAS training solutions, integrated engineering and production capabilities.
