Michael Fiorenza Appointed Chief Financial Officer and Company Secretary

Former Group CFO of ASX-listed PropTech Group brings track record of scaling proptech companies and a profitable exit.

RMA Global Limited (ASX: RMY) ("Renowned" or "the Company") is pleased to announce the appointment of Michael Fiorenza as Chief Financial Officer and Company Secretary, effective 7 September 2026. Fiorenza joins as the company scales its Local Expert Marketing platform across the U.S., Australian and New Zealand.

Fiorenza brings 18 years of international finance, accounting and ASX experience, together with a track record spanning M&A and multiple successful exits, and a record of building finance functions capable of meeting the demands of public-markets. Since the sale of PropTech Group in 2023, he has continued to work across the proptech and broader technology sectors, advising businesses on finance, strategy, growth and transactions.

Fiorenza's most relevant and notable experience for Renowned came as Group Chief Financial Officer of PropTech Group Limited (ASX: PTG), a publicly listed Australian proptech company. During his tenure, he helped execute a buy-and-build strategy that included six acquisitions, increased PTG's market share among Australian and New Zealand real estate agencies from approximately 28% to 43%, and scaled the business to approximately A$20 million in annual revenue and a team of more than 150 people. That growth culminated in PropTech Group's 2023 acquisition by MRI Software. The reorganized PTG commenced trading in November 2020 at an enterprise value of $27m and was acquired by MRI just over two years later for an implied equity value of $93m. PTG revenue grew rapidly and was circa $20m for FY22.

A Chartered Accountant (Chartered Accountants Australia and New Zealand) and Fellow of the Association of Chartered Certified Accountants (FCCA), Fiorenza has spent his career at the intersection of finance and proptech.

"We are excited to have someone of Michael's caliber joining the RMA leadership team," said Jim Crisera, CEO of RMA Global. "As we scale Renowned's footprint across the U.S. and Australia, having someone with his operational leadership who has sat on both sides of the ASX-listed company table – building the numbers and defending them to the market – is exactly the experience we need in this seat."

" After more than 10 years in PropTech, I am excited to join RMA. The business has built a strong position in its markets, with a significant opportunity to scale further across Australia, New Zealand and the United States," said Michael Fiorenza, incoming CFO of Renowned. " I look forward to working with Jim, the Board and the team, drawing on the experience and lessons from building and scaling PropTech Group through to its sale to MRI Software, to support RMA's growth and create long-term value for shareholders."

RMA Global Chairman David Williams said, "It is exciting to have Michael on board but equally exciting are the metrics of PTG compared with RMY. It is striking that PTG with less revenue that RMY today commanded a value of circa 4.5 times revenue. This is a good signal for RMY's FY26 revenue of $22.7m. Michael brought a strong ownership mindset to PTG and remained closely aligned with shareholder outcomes throughout the company's growth and eventual sale."

This announcement was authorised for release by the Chairman of RMA Global Limited.
