

SOLAR POWERING YOUR HOME OR BUSINESS

Tapping into the sun's renewable energy can help power your home or business, while saving on your monthly bills.

YOUR SOLAR

[LEAVE A MESSAGE](#)

WANT TO INSTALL?

Get started with Harrisons Solar. They'll design and install a quality solar system tailored to your home. Plus, you'll unlock a premium buy-back rate* - an extra 6.9c per kWh for the next 2 years.

HARRISONS SOLAR OFFER

ALREADY HAVE SOLAR?

Turn sunshine into savings when you export power back to the grid. Check out our plans to see if Flex Rates or Flat Rates could work best for you.

*Solar buy-back rates exclude GST and are subject to change. [Residential and business terms and conditions apply.](#) [↗](#)
Buy-back rates are dependent on line company charges. There are some networks such as Orion Network, where the buy-back rate will differ.

PLANS

Choose the plan that best fits your setup and lifestyle. It will apply to both your electricity generation and usage. Not sure which one's right for you? Check out our FAQs below to learn more.

FLAT RATES

FLEX RATES

HOW DO I SELECT A PLAN?

HATCHING KIWI WITH THE HELP OF SOLAR

The team at the Kiwi Hatchery know a thing or two about looking after our most treasured bird, the kiwi. They care for them from egg, through to releasing them back into the wild. We're proud to support the hatchery since 2019 in their mission to save kiwi. Recently, during their move to the Rotorua Agrodome we funded a new solar setup and an extra Tesla battery.

SOLAR NEEDS SERVICING TOO

If you have a solar system, it's important to ensure it's regularly maintained. This will help keep it safe and ensure it continues to power your home for many years to come.
