¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

This Corporate Governance Statement (“Statement”) outlines the Corporate Governance Practices adopted by the Board of Directors for the financial year ended 30 June 2026.

This Statement is current as at 7 September 2026 and has been approved by the Board.

This Statement explains how Ordell addresses the ASX Corporate Governance Council’s Corporate Governance Principles and Recommendations – 4th Edition (“ASX Recommendations”).

In addition to the information contained in this Statement, copies of the Company’s key corporate governance policies and procedures referred to in this Statement are provided on the Company’s website <https://www.ordellminerals.com.au/corporate-governance>.

Where Ordell’s corporate governance practices do not correlate with the ASX Recommendations, it is because the Board does not consider it practical to implement those recommendations due to the size and stage of development of Ordell’s operations and the Board’s reasoning for any departure is explained. As the Company’s activities develop in size, nature and scope, the implementation of additional corporate governance structures will be given further consideration.

PRINCIPLE 1 – LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT		
1.1	A listed entity should have and disclose a board charter setting out: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	Information about the respective roles and responsibilities of our Board and management (including those matters expressly reserved to the Board and those delegated to management) is found in the Company’s Board Charter, a copy of which can be found on the Company’s website at: https://www.ordellminerals.com.au/corporate-governance
1.2	A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	The Board oversees arrangements for the effective appointment of new directors and senior executives which includes identifying candidates to fill vacancies and to determine the appropriateness of director nominees as well as undertaking appropriate checks before appointing a person to the Board (including checks in respect of character, experience, education, criminal record and bankruptcy history (as appropriate)). The Board recognises the benefits arising from diversity and aims to promote an environment conducive to the appointment of well-qualified Board candidates to maximise the achievement of corporate goals. As required under the ASX Listing Rules and the <i>Corporations Act 2001</i> (Cth) (Corporations Act), election or re-election of Directors is a resolution put to members at each Annual General Meeting. The Notice of Meeting contains all material information relevant to a decision on whether or not to elect or re-elect a Director.

1.3	A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	The Company's Managing Director & CEO, and other senior executives are employed pursuant to a written employment agreement with the Company, and each Non-Executive Director is engaged under a Letter of Appointment.
1.4	The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	The roles, responsibilities, and accountability of the Company Secretary is detailed in the Company's Board Charter. The Board Charter provides that the Company Secretary reports directly to the Board through the Chair, on all matters to do with the proper function of the Board and is accessible to all Directors.
1.5	A listed entity should: (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: (1) the measurable objectives set for that period to achieve gender diversity; (2) the entity's progress towards achieving those objectives; and (3) either: (A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act. If the entity was in the S&P / ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.	The Company has a Diversity policy which can be found on its website at https://www.ordellminerals.com.au/corporate-governance. The Company's Diversity policy does not include requirements for the Board to set measurable objectives for achieving gender diversity and given the size and nature of the Company at this stage, the Board considers this course of action reasonable. The Company recognises that a diverse and talented workforce is a competitive advantage and that the Company's success is the result of the quality and skills of our people. Our policy is to recruit and manage on the basis of qualification for the position and performance, regardless of gender, age, nationality, race, religious beliefs, cultural background, sexuality or physical ability. It is essential that the Company employs the appropriate person for each job and that each person strives for a high level of performance. The Company has not set measurable objectives for achieving gender diversity. For the 2026 financial year, the Company had no women in senior executive positions or women on the Board. Senior executives means members of management who report to the Managing Director & CEO.
1.6	A listed entity should:	The process for evaluating Board performance is detailed in the Company's Board Charter, a copy of which is available on the Company's website at https://www.ordellminerals.com.au/corporate-governance .

	(a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	The Company carried out an internal review of individual director and Board performance in relation to FY26.
1.7	A listed entity should: (a) have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	The Chair conducted an annual performance appraisal of the Managing Director & CEO in relation to FY26. The Managing Director & CEO conducted an annual performance appraisal of senior executives in relation to FY26.
PRINCIPLE 2 - STRUCTURE THE BOARD TO BE EFFECTIVE AND ADD VALUE		
2.1	The board of a listed entity should: (a) have a nomination committee which: (1) has at least three members, a majority of whom are independent directors; and (2) is chaired by an independent director, and disclose: (3) the charter of the committee; (4) the members of the committee; and (5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or (a) if it does not have a nomination committee, disclose that fact and the processes it employs to address board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.	The Board considers that due to the size and complexity of the Company's affairs it does not merit the establishment of a separate Nomination Committee. The full Board carries out all necessary nomination committee functions which includes carrying out the process of reviewing and appointing new Directors.

2.2	A listed entity should have and disclose a board skills matrix setting out the mix of skills that the board currently has or is looking to achieve in its membership.	The Board has identified that the appropriate mix of skills and diversity required of its members on the Board to operate effectively and efficiently is achieved by directors having substantial skills and experience in operational management, exploration and geology, corporate law, finance, listed resource companies and equity markets. The Board Skills matrix for the current Board is as follows: <table><tr><td></td><td>Tommy McKeith</td><td>Michael Fowler</td><td>Darren Gordon</td></tr><tr><td>Operational Management</td><td>✓</td><td>✓</td><td>✓</td></tr><tr><td>Exploration and Geology</td><td>✓</td><td>✓</td><td>✓</td></tr><tr><td>Corporate Law</td><td>✓</td><td>✓</td><td>✓</td></tr><tr><td>Accounting & Finance</td><td>✓</td><td>✓</td><td>✓</td></tr><tr><td>Listed Resource Companies</td><td>✓</td><td>✓</td><td>✓</td></tr><tr><td>Equity Markets</td><td>✓</td><td>✓</td><td>✓</td></tr></table>		Tommy McKeith	Michael Fowler	Darren Gordon	Operational Management	✓	✓	✓	Exploration and Geology	✓	✓	✓	Corporate Law	✓	✓	✓	Accounting & Finance	✓	✓	✓	Listed Resource Companies	✓	✓	✓	Equity Markets	✓	✓	✓
