ASX Announcement

MLG EXTENDS DAVYHURST GOLD MINE SERVICES WITH A ~$48m NEW CONTRACT WITH ORA BANDA

Key Highlights:

- The new contract commenced on 1 September 2026
- Initial term of three years, with a further one-year extension available at Ora Banda's option.
- Based on the contracted position, annual revenue is expected to be approximately $16.0 million.
- MLG's scope of services includes:
    - loading and haulage of ore from nominated mining areas to the Davyhurst ROM pad;
    - weighing and recording of ore movements;
    - ROM pad and crusher feed loading; and
    - maintenance of surface haul roads, access roads and associated dust suppression activities.

MLG Oz Limited (ASX: MLG) ("**MLG**" or the "**Company**") is pleased to announce the extension of its long-standing relationship with Ora Banda Mining Ltd ("Ora Banda") at the Davyhurst Gold Project.

The Ora Banda contract is expected to generate approximately $16.0 million of annual revenue over a three-year term.

The services will be undertaken on a continuous 24-hour, seven-day operating basis across Ora Banda's Davyhurst operations.

The extension continues MLG's established relationship with Ora Banda and positions the Company to support the ongoing development and growth of the Davyhurst operation.

MLG Chief Executive Officer Mark Hatfield said: "We are delighted to extend our relationship with Ora Banda for a further three years and continue supporting the growth of its Davyhurst operations. This extension reinforces the strength of our long-standing partnership and reflects MLG's proven ability to deliver safe, reliable and integrated haulage and mine site services.

"Ora Banda has an exciting growth strategy and significant expansion plans ahead. We are pleased to continue partnering with the team and look forward to playing an important role in supporting the next phase of development and operational growth across the Davyhurst project."

Authorised for release by the Board of Directors.

About MLG Oz Limited

MLG Oz Limited (ASX: MLG) is a Kalgoorlie-based integrated mining services and resource asset management company, founded by Executive Chair, Murray Leahy. MLG delivers tailored solutions to mining operations, primarily focused on supporting its clients' ore processing facilities across gold, iron ore, lithium and other base metals in Western Australia and the Northern Territory.

MLG offers a comprehensive range of services under an integrated business model, often within a single contractual framework. These include Civil & Construction, Crushing & Screening, Bulk Haulage & Site Services, and the supply of Open Pit Mining & Construction Materials from MLG's strategically located regional quarries.

The Company's key capabilities include build, own, and operate models, contract crushing and screening services, as well as crusher feed and material management. Services extend to include construction, road maintenance, rehabilitation work, vehicle maintenance, and machinery and labour hire.
